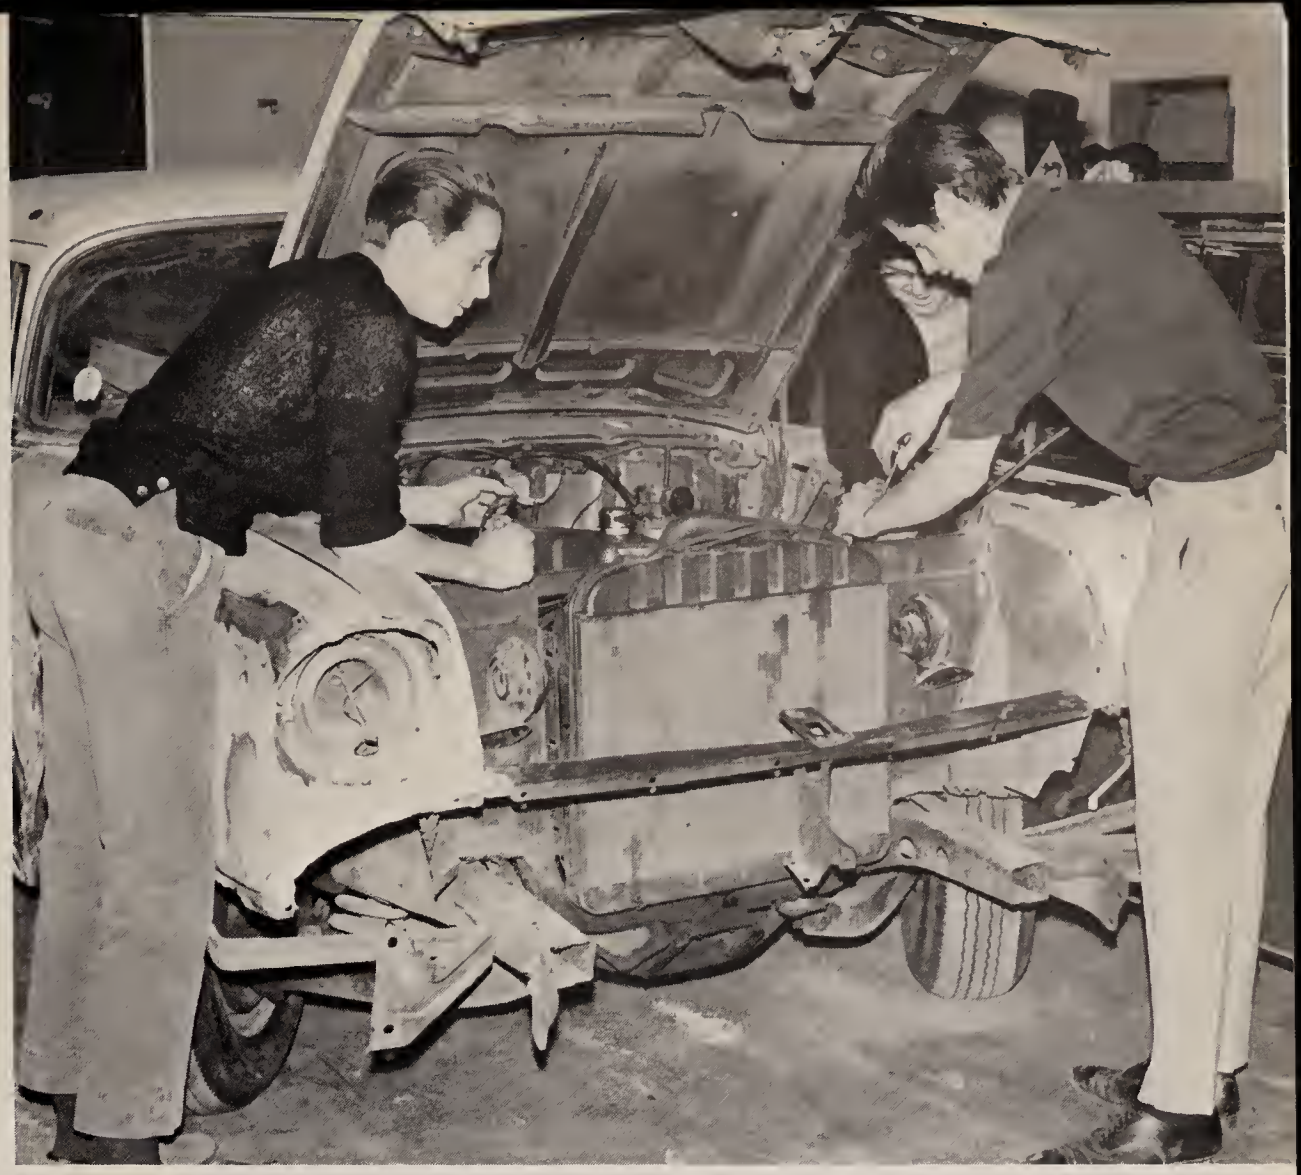
Everyone owns a unique idea about St. Joseph's.
These photographs show much more than an ordinary high school.
Despite its size, there is no shutting newcomers out.

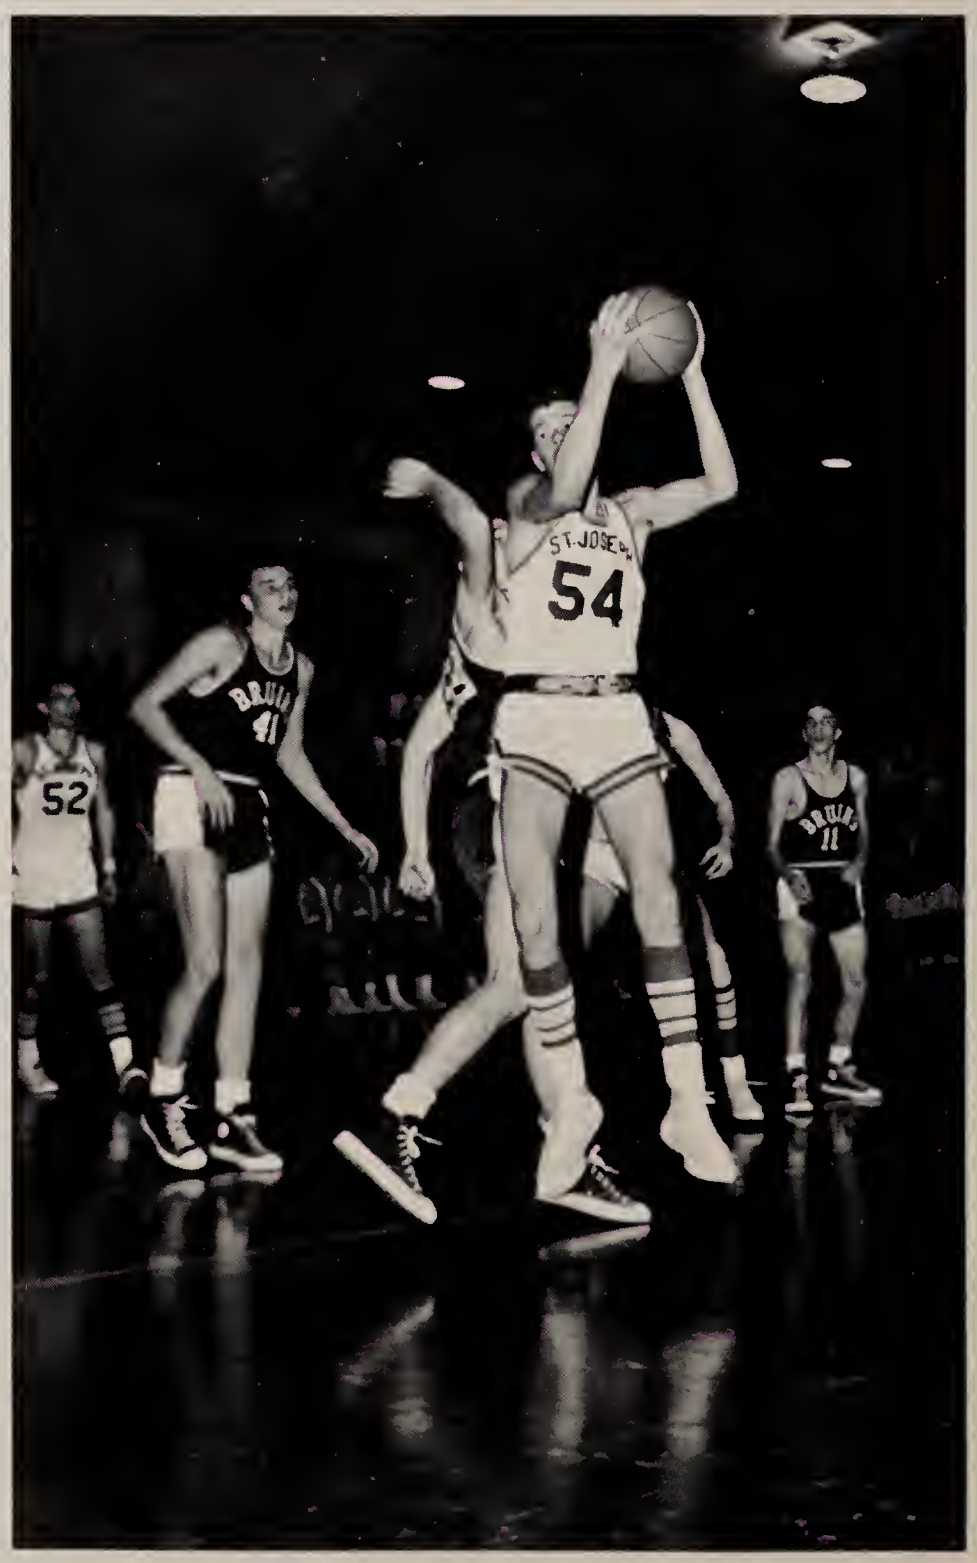
The pressures are met head-on; youth endures almost anything.
The school remains the arena for the ambitious.
The supreme test is whether the students have learned to think for themselves — to question, to analyze, and to arrive at independent judgments.

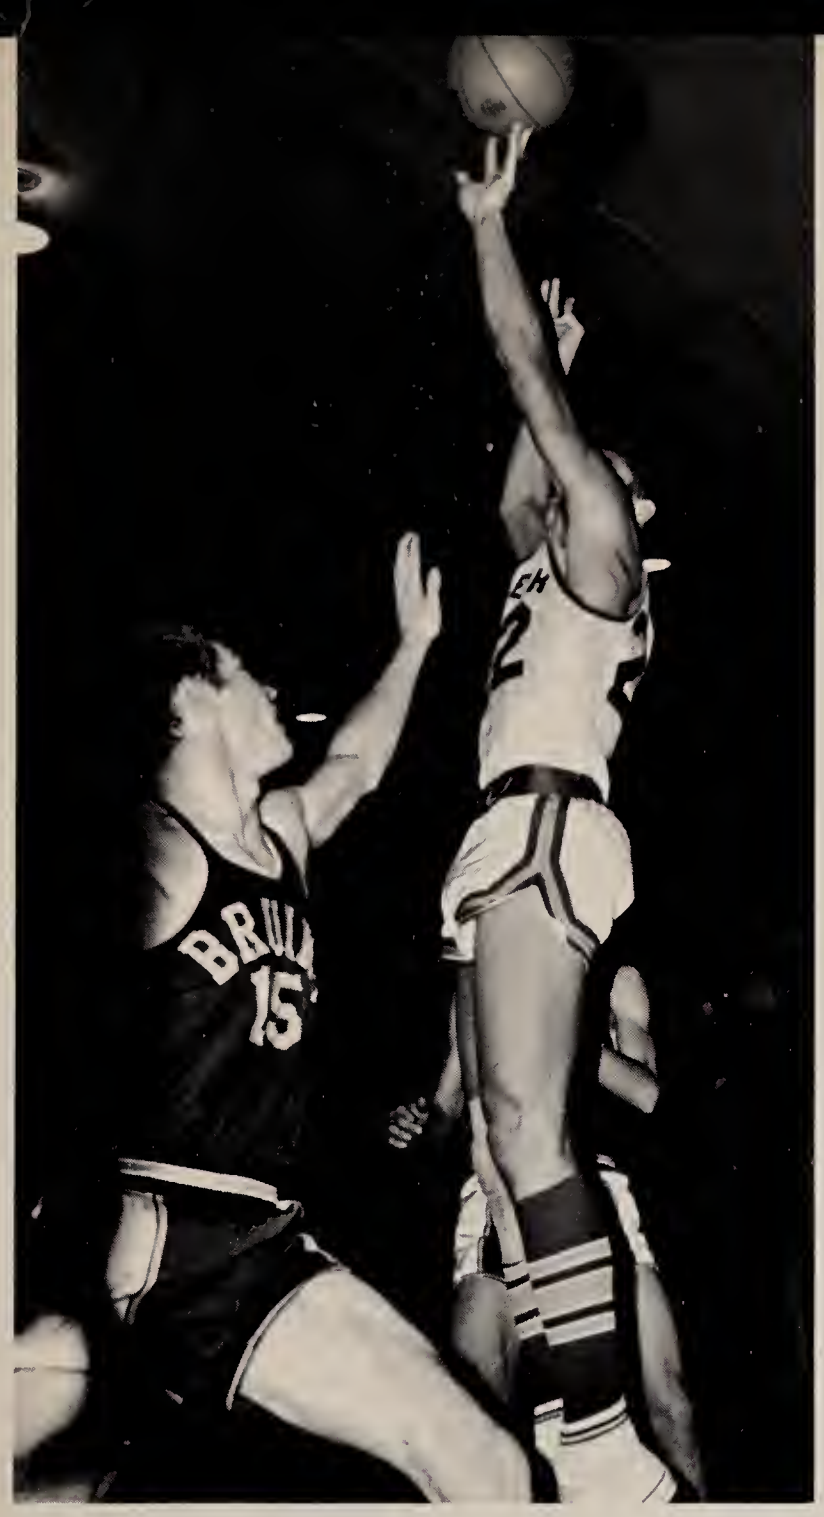
The high school years are not a time for acquiring a veneer that will pass with people as education but rather a time for acquiring the mental disciplines that will lead to a lifetime of independent self-education.
The school must produce men on which any good society must depend.
St. Joseph's is more than this; it is a cacophony of sound, a whirlpool of colors.



In the turmoil of congestions, the student must learn to survive on his own.
Yet the friendships, the enthusiasm, and the many memorable events encourage him to make things happen.
Quick with life, the students speak the hopes and realities of the times.

Athletically, St. Joseph's has no equal.
There is no need to speak of motivation, or loyalty, or pride.
The players become one with the student body, and together they conquer.





The purpose in any sport is to beat the opponent;
St. Joseph's doesn't just beat them; it buries them.
At game's end, the exhausted combatants leave.
Next week, they will attack again.
And win again.
St. Joseph's forces people to the discovery of self.
That is a beginning and a strength.
It sustains, through experiences that herald the coming day.

DEDICATION . . .

BROTHER MICHAEL VOELKER, S.M.
GOLDEN JUBILARIAN

Brother Michael L. Voelker, S.M., faculty member of St. Joseph High School, celebrated his Golden Jubilee of religious profession in the Society of Mary this year on the 15th of August.

On Thursday, May 1, a Mass was offered in the school auditorium in Bro. Voelker's honor. The entire student body and school staff was in attendance.

Bro. Michael is from a family of nine children and a native of Baltimore, Md. On July 16, 1916, the Feast of Our Lady of Mount Carmel, Brother entered the postulate of the Society of Mary. At this time, he was just fourteen years of age, and had just graduated from the eighth grade.

Brother Voelker is a graduate of the University of Dayton. His first teaching assignment was at West Catholic High School in Philadelphia, where he was also business manager and moderator of the school paper, "The Burr." After five years there, he taught for one year at University of Dayton Prep. A year later in 1927, Brother was a pioneer in the organization of the newly-built Chaminade High School in Dayton. During his three years there, he was athletic director.

In 1930 Brother Michael came to Cleveland to teach at Cathedral Latin School. During his twelve years at Latin, he held posts of athletic director and moderator of the "Purple and Gold" yearbook. Several of his yearbooks won highest national honors.

In 1942, Brother moved to North Catholic High School in Pittsburgh. He taught there for fifteen years, during which time he directed the football program and was moderator of the "Trojan" yearbook.

Brother came back to Cleveland in 1957 to teach at St. Joe's. He was student council moderator here for several years. In his years of teaching, Brother has taught chemistry, biology, mathematics and English, but says that he specializes in German and mechanical drawing.

When asked about his philosophy of life, Brother said, "My vision, my vocation, my life began with Christ and will end with Christ. He is the Center of my life. I dedicated myself to the Blessed Mother. All my efforts were made to promote devotion to her and to make her better known, loved, and served."

Brother Voelker also said that he always impressed upon his students that, "What we are is God's gift to us; what we become is our gift to God."

We thank God for the gift He has sent us in this dedicated teacher, and we thank and congratulate Brother "Mike" on the occasion of his Golden Jubilee. **Ad multos annos!**

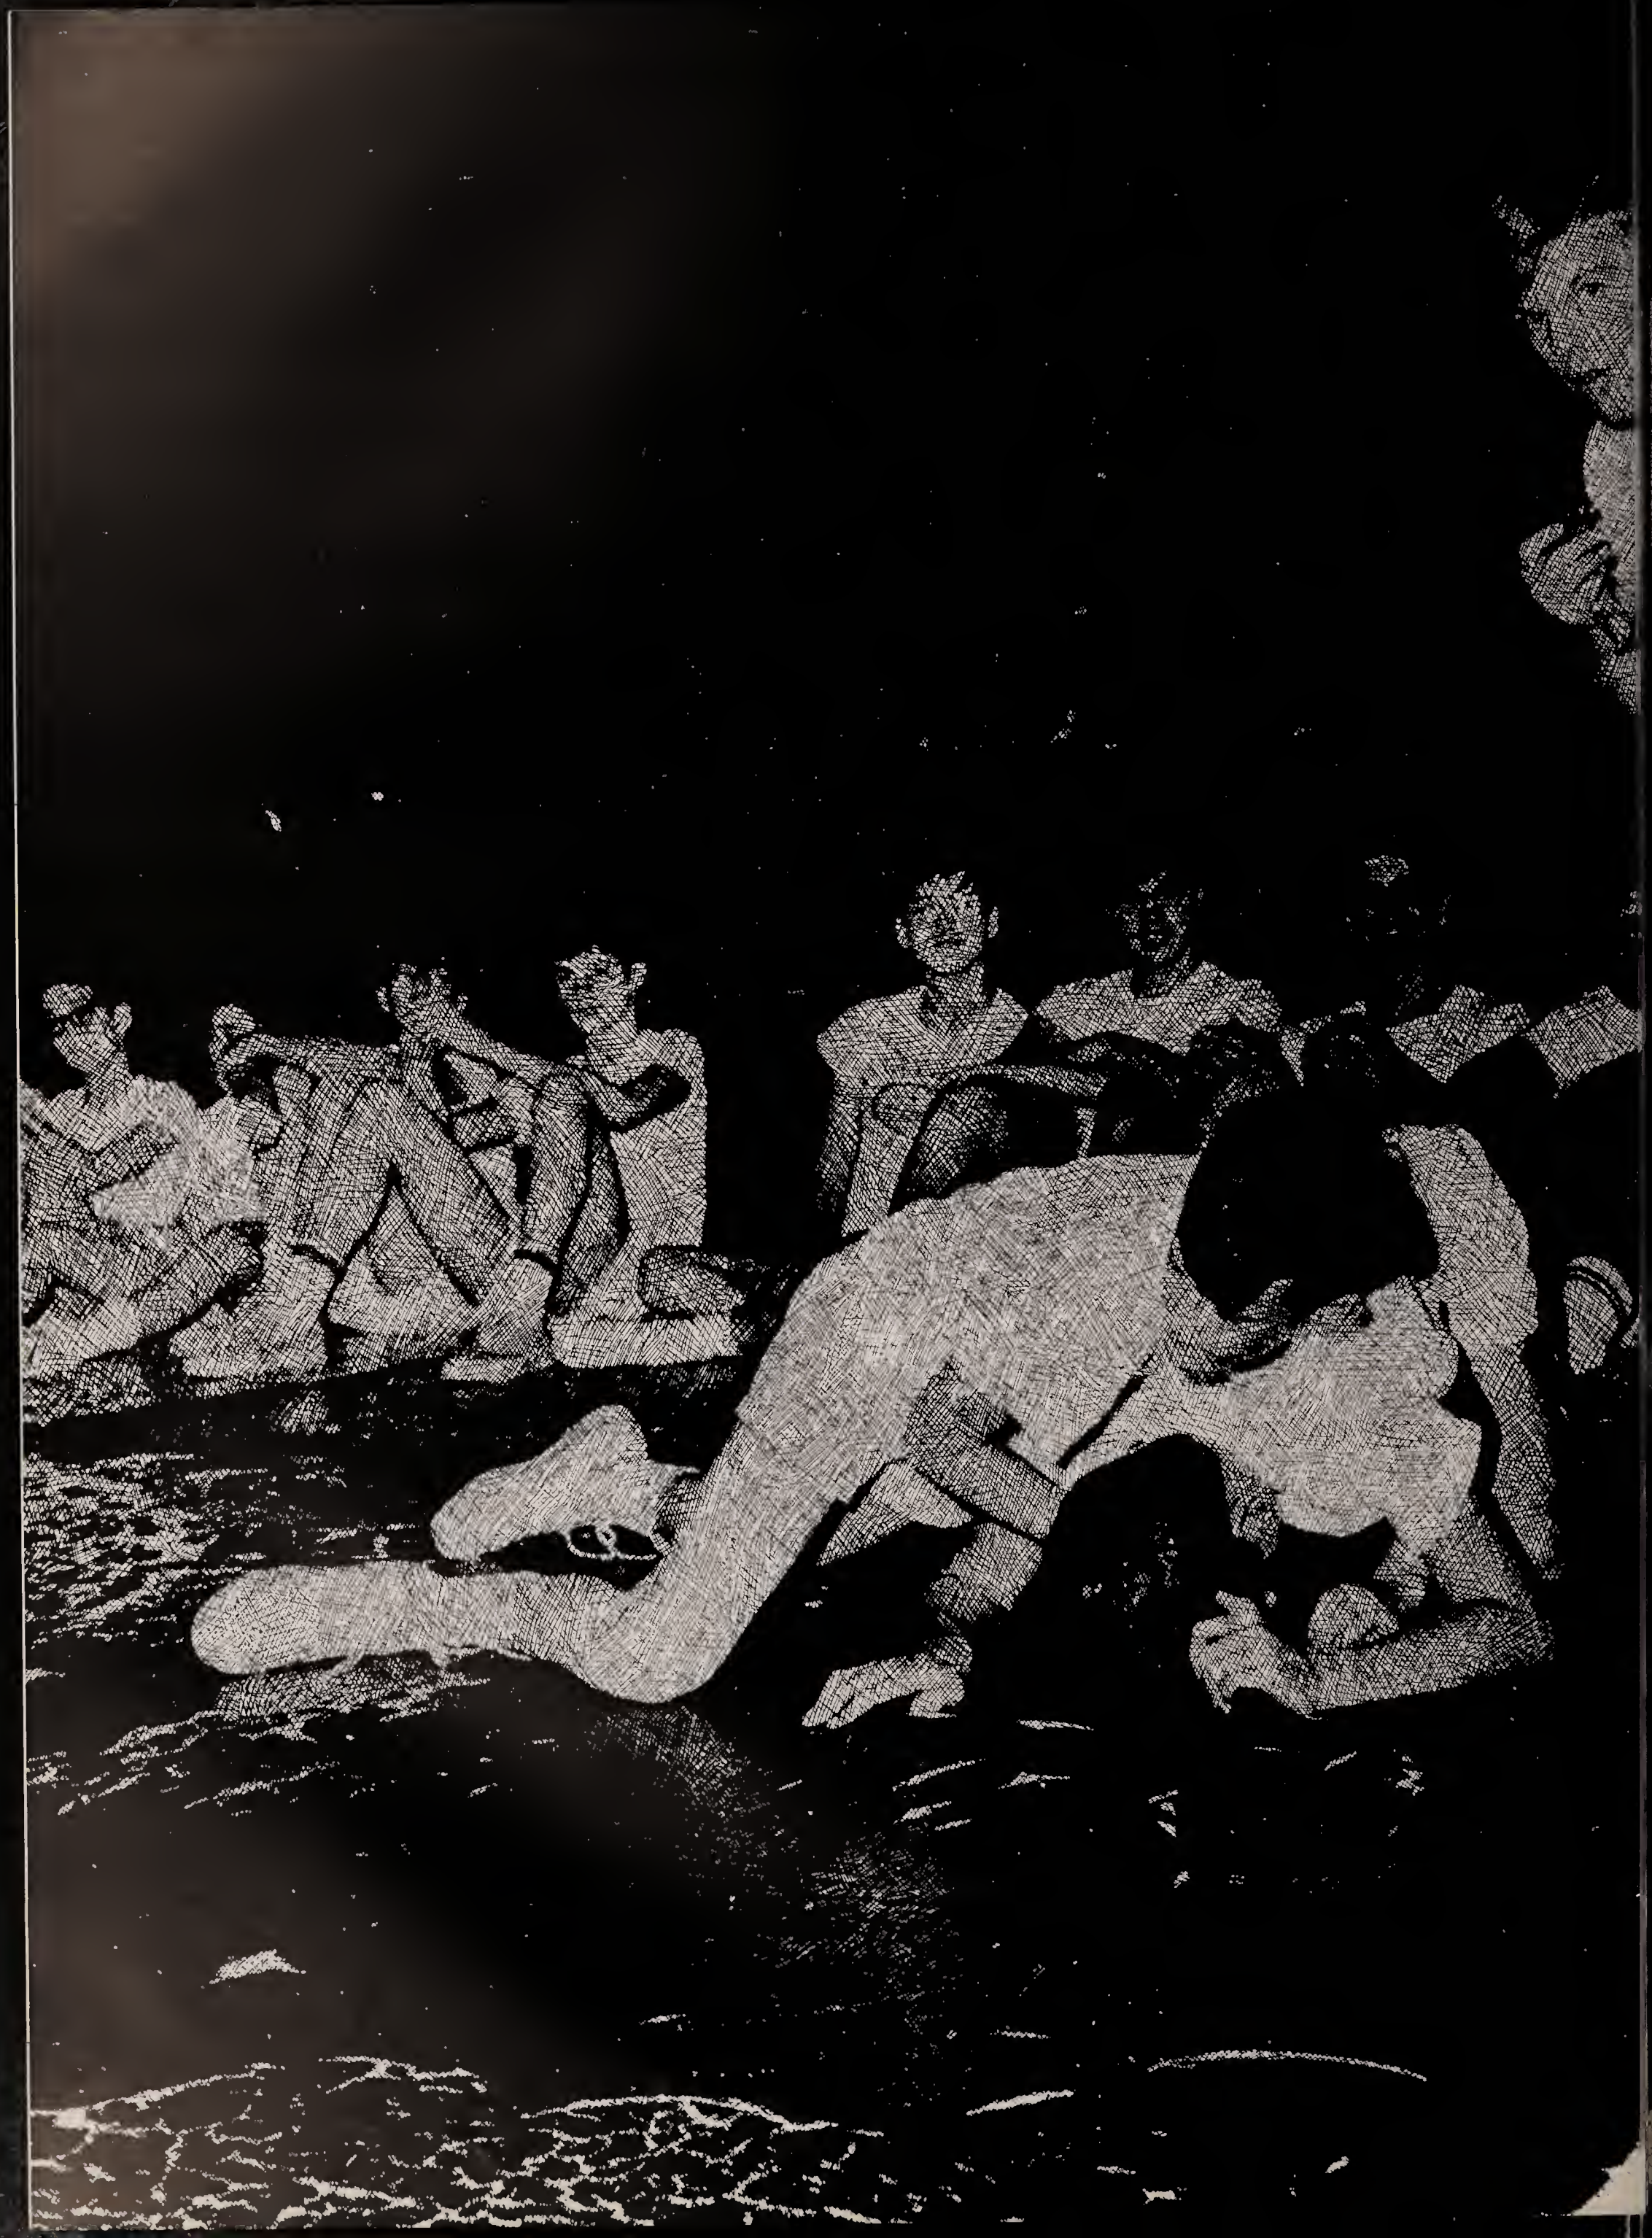
Motts
Football 3; Wrestling 3, 4; Manager 4; Intramurals 1, 2, 3, 4; Baseball 1.

JOHN ZUPAN
Zuperman
Russian 1, 2, 3, 4; Ski Club 4.

IN MEMORY OF

ANTIONE NAHRA—GARY WIERSCH
MEMBERS OF
THE CLASS OF 1969
WHO HAVE PASSED AWAY



UNDERCLASS

CLASS OF '70

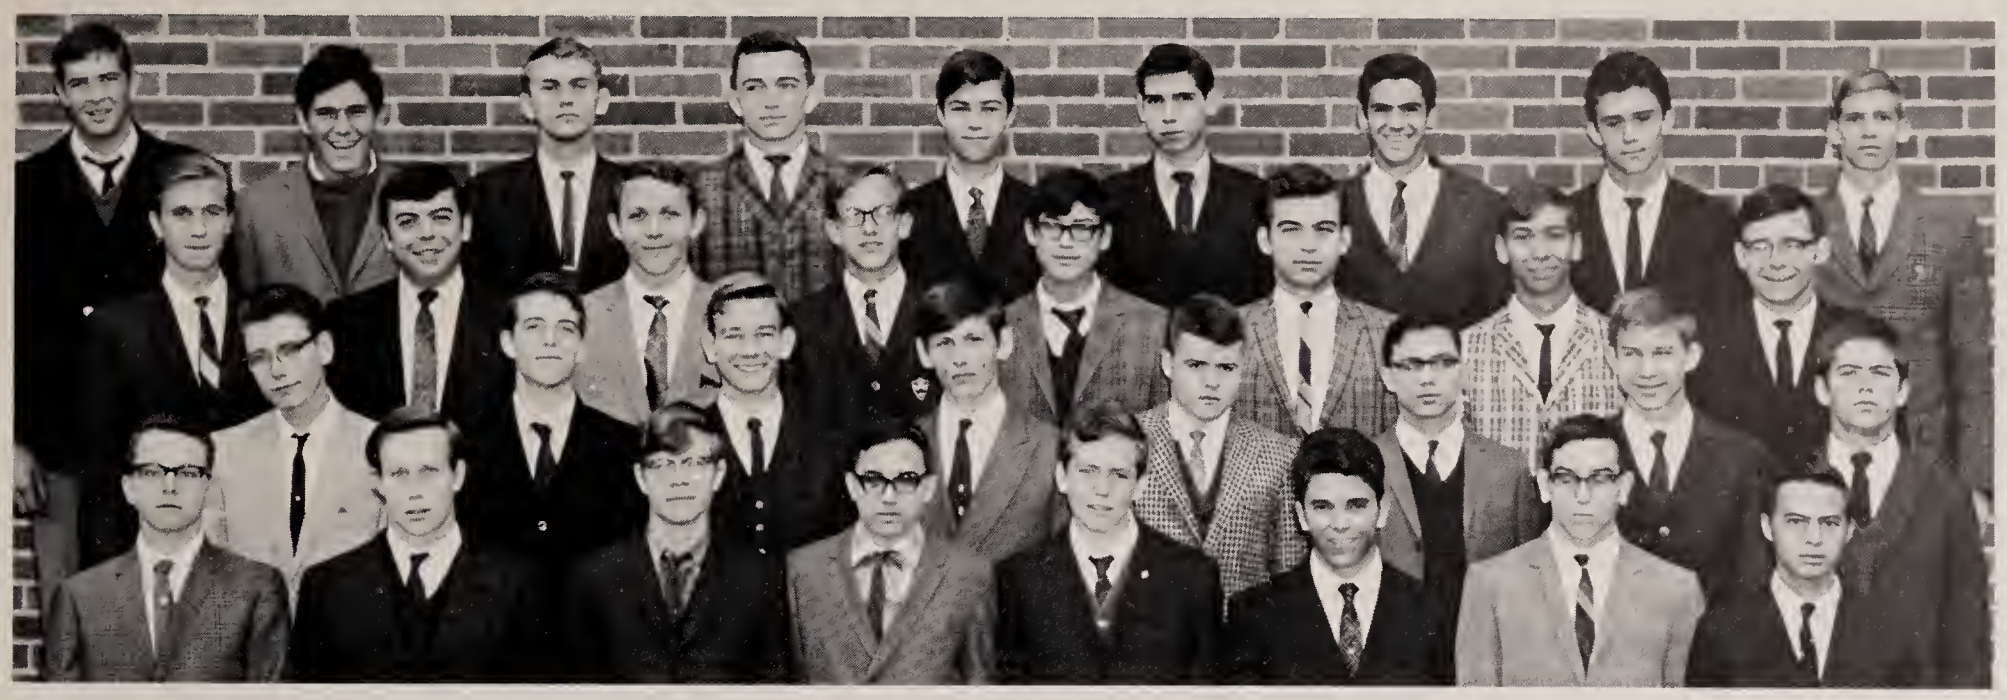
There have been many potentially great classes in the short history of St. Joseph High School. Unfortunately, many of these classes never achieved their full measure of greatness because of one major fault. Few of our "ancestors" were able to see the forces that worked against them, these being: a lack of unity, a lack of involvement, and a lack of interest. We, the Class of '70, feel that our greatest achievement this past year was developing the ability to find our own weaknesses. When this was done, we were able to make a sincere effort to eliminate them. We hope that this newly-formed ability will help us next year to place our class among the ranks of those that have helped to make St. Joseph High School a little bit better.

Junior Class Officers: (standing) Bob Biscup, Vice-President; Don Daily, Secretary; (seated) Phil Herrick, President; and Kevin Lucas, Treasurer.

"My Butane lighter would work better than this!"

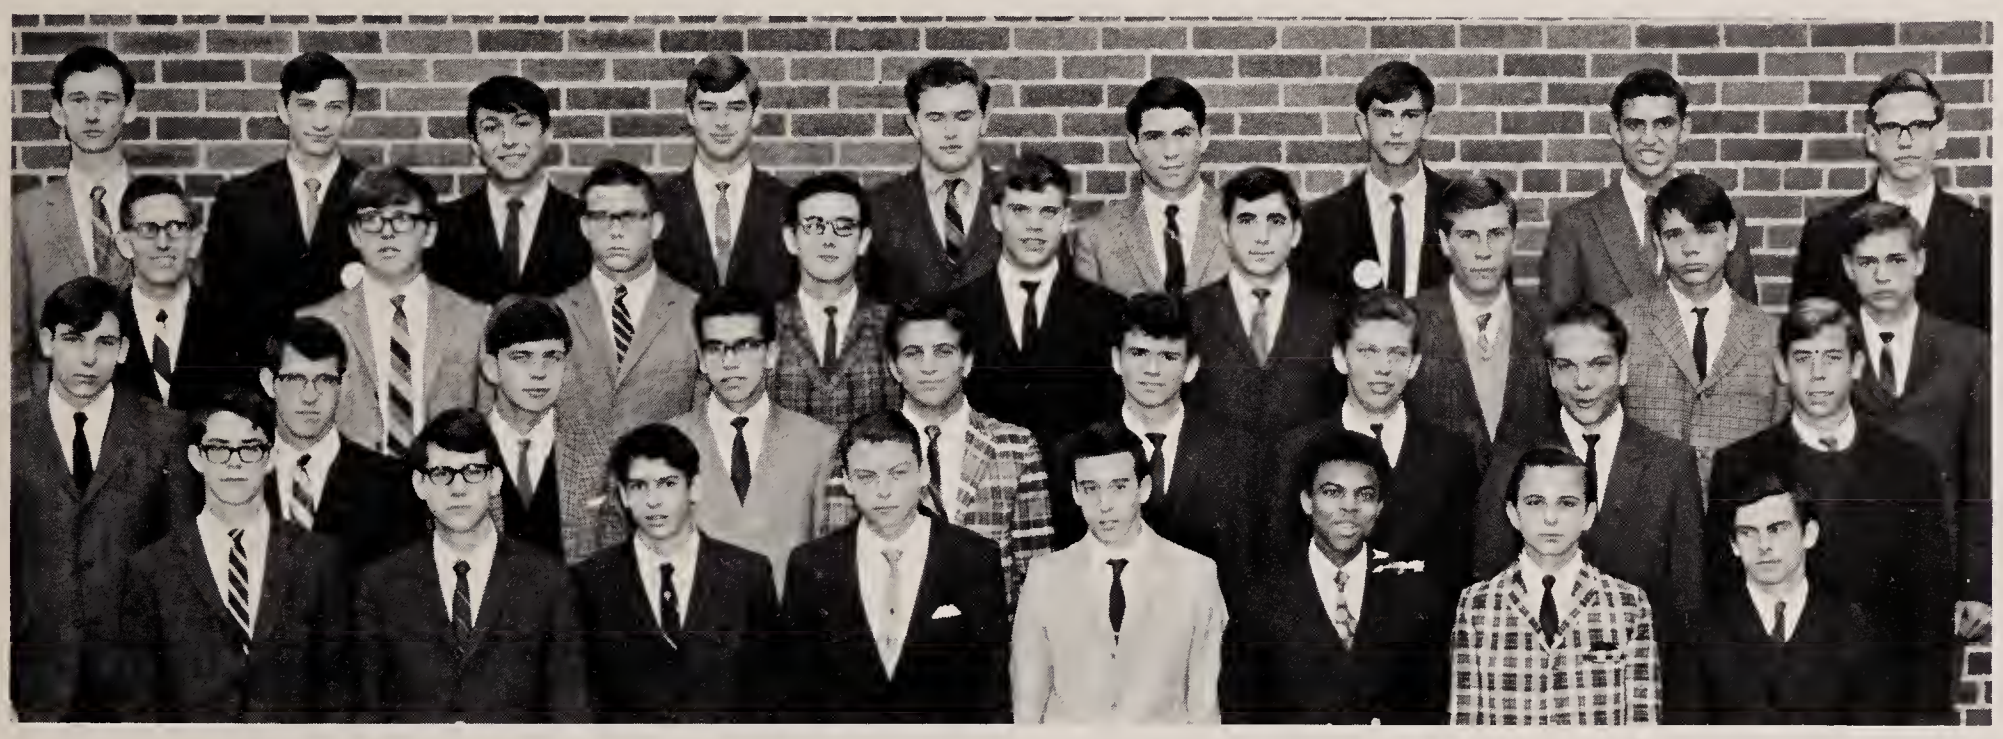
"Beauty isn't everything."

"Brother Rose just isn't my **TYPE!**"



D. Blakely, E. Bestuina, B. Biscup, B. Bobrowski, A. Bozich, M. Bozza, A. Bolon, T. Bresnan, J. Beran.
R. Andrassy, J. Barry, R. Aukstuolis, D. Bertosa, M. Bacnik, G. Babcheck, R. Brichacek, R. Berlan.
A. Batis, S. Angelloti, J. Bitner, M. Bezzic, I. Berlec, R. Broar, A. Branstein, M. Blakemore.
E. Acton, J. Arndt, C. Pickerman, N. Brdar, Pat Abbott, P. Apicella, T. Bodle, M. Boyer.
Missing: J. Booms, F. Brentar.

3A



J. Busher, J. Bucar, B. Constantino, D. Bush, A. Cunningham, J. Callahan, M. Capello, P. Ciofani, J. Czaplicki.

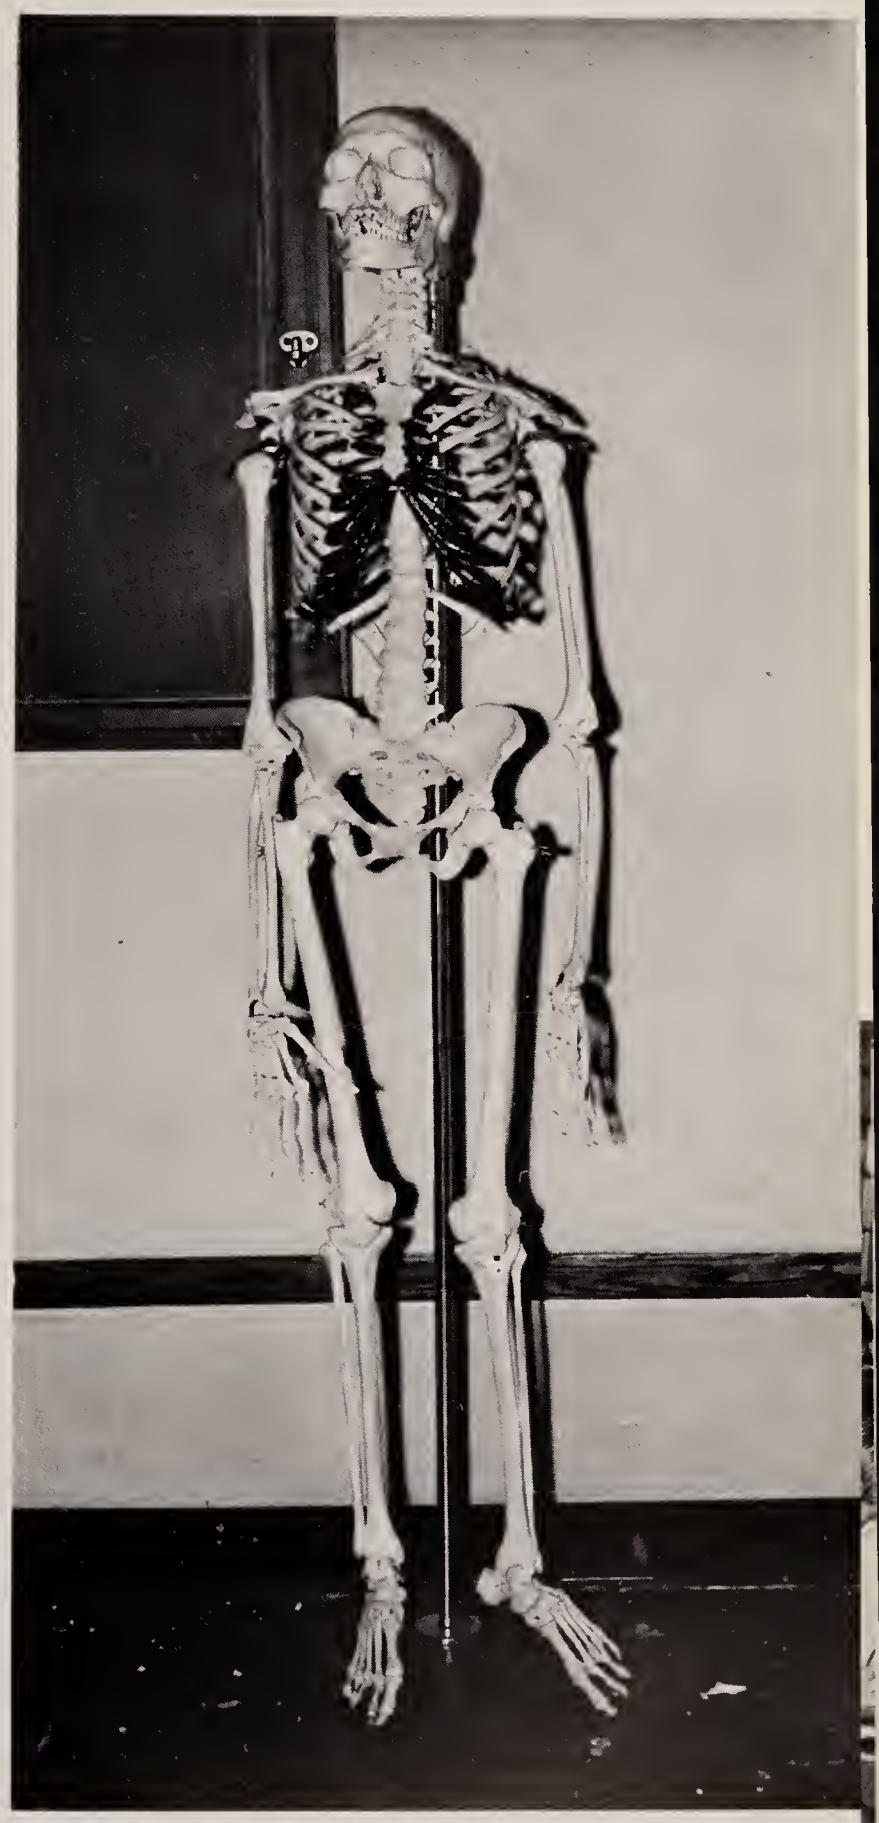
3M

"You shouldn't had oughtta taken that picture, Buddy!"



"Just call me Red . . . Red Skeleton!"

"The Chemistry Book Foldout!"

CLASS OF 1971

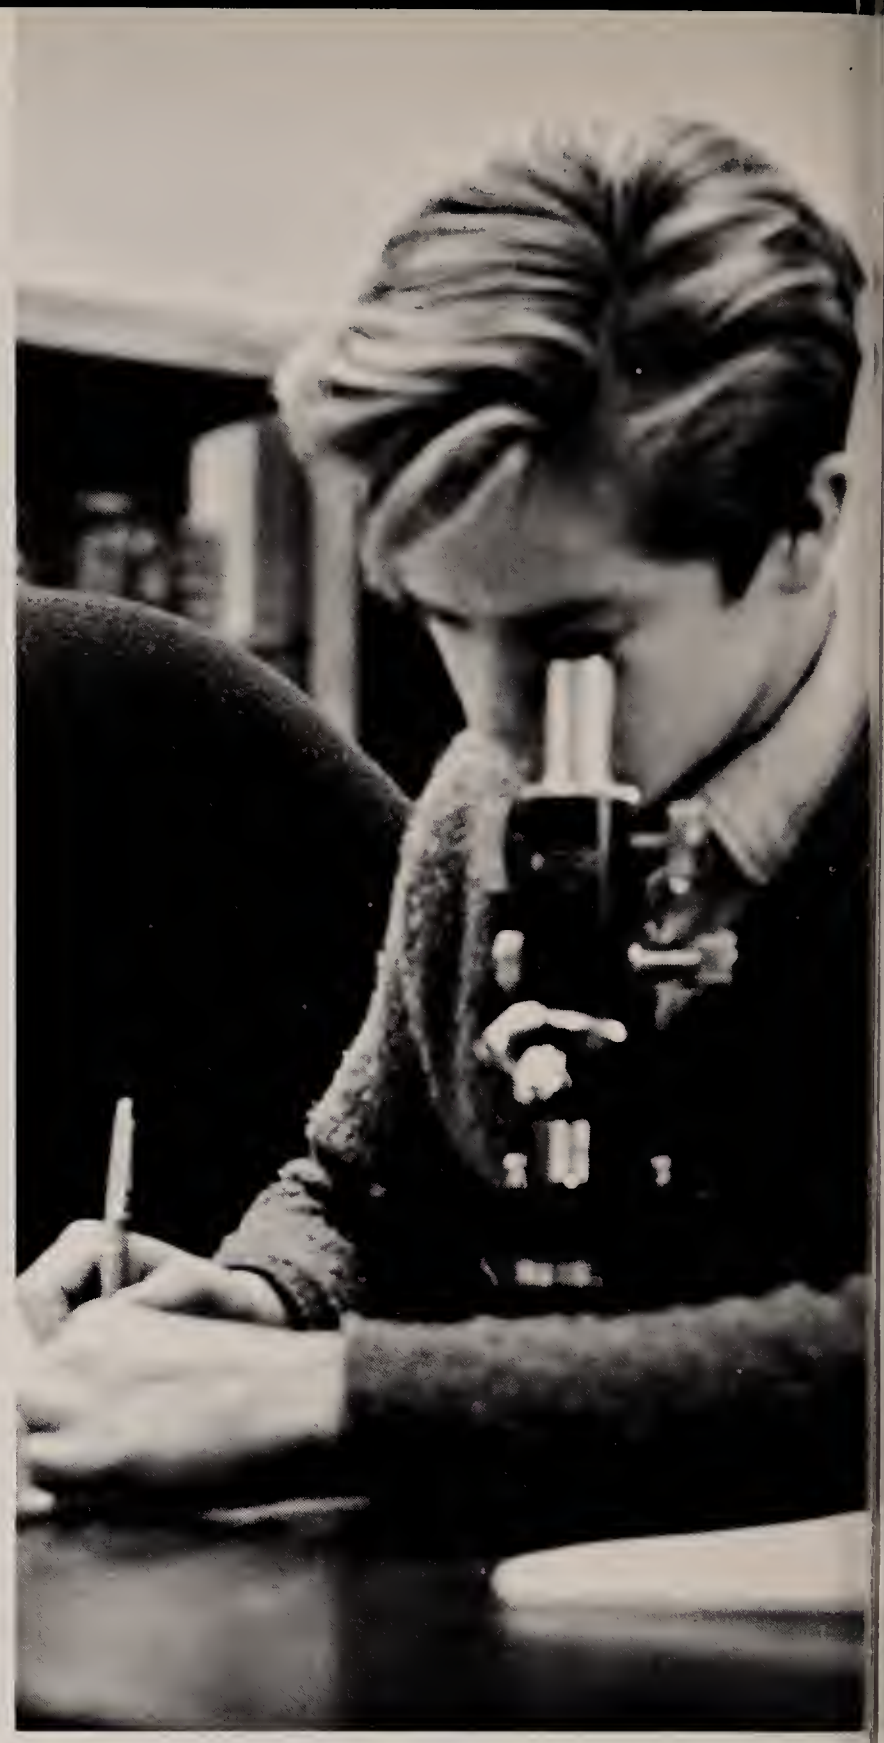
The Sophomore Class of 1971 has proven itself to be a dependable, strong oar of the Viking Ship which is always on a course steered toward supremacy. Wherever there is action, you will find Sophomores involved, whether it be in athletics, clubs, or scholastic achievement, the Sophomore Class leaves its mark.

The reason why this Sophomore Class is a success is because of the guys that make up the Division. Whether it's teachers, friends, or parents that bring out the greatness in an individual is open to opinion, but it can be truthfully said that the majority of the young men in the Sophomore Class have found themselves and have experienced a giving of themselves to their school, their family, their friends, and to their God. Most of us have answered "What's it all about?" in one word, and that word is "giving."

The Sophomore Class knows that it will leave behind its mark of greatness when it charts another course in 1971.

Sophomore Class Officers: (standing) Jim Caywood, Vice-President; Mike Modzelewski, President; (seated) Dan Jarosz, Secretary; and Jim Castrigano, Treasurer.

"If only I could win the Soap Box Derby."



"A pair of Mecium!"

"What do you mean napkins are ten cents?"

Contemplating about Robert Burns on a lazy afternoon while catching a few winks between lines and dreaming of an overly plump girl chewing on a green raisin pit.

"And now a provocative reading from **The Cat in the Hat.**"

Night of the Living Dead.

CLASS OF '72

Building For The Future. That's the job of the Freshman Division. We feel that this past year was a sturdy foundation for the next three years at St. Joseph High School.

Our main objectives from the beginning were to unify the Freshman Division in spirit and, most importantly, in Christ as well as to increase academic achievement.

We have given ourselves the title **Spirit of '72** and aim to prove its true meaning during our sojourn here.

Freshman Class Officers: (standing) Tom Kenny, Treasurer; Bob Sukys, Secretary; (seated) Greg Krizman, Vice-President; and Ray Joseph, President.

"And to think we're the honors class!"

The first human "ankle transplant."

5E

ACTIVITIES

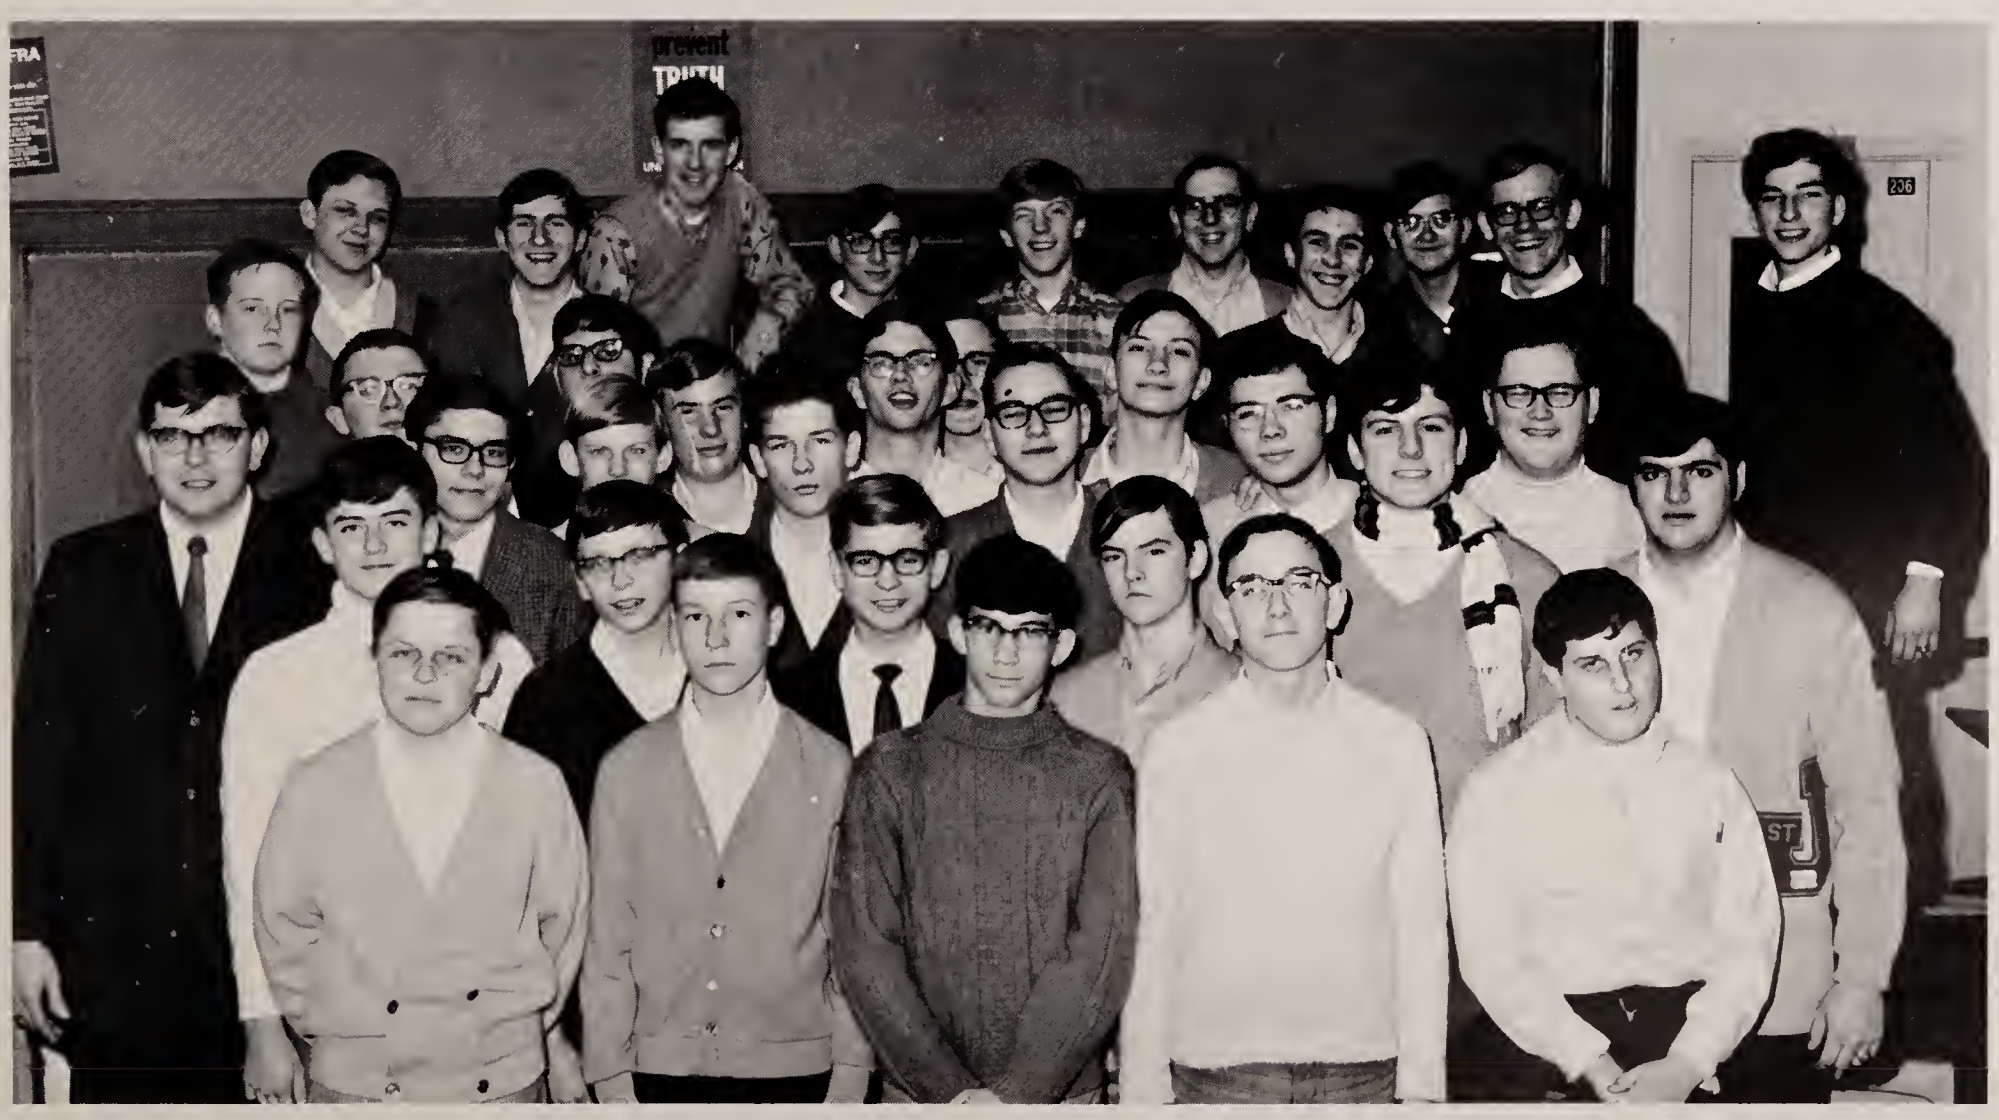
ART CLUB

The goal of the Art Club this year was to develop a "professional approach" in all its work. Its members are a group of spirited Vikings who are willing to dedicate many hours of work to their school. They support all other clubs within the school as well as all projects sponsored by Student Council. The Art Club is truly a part of the great Saint Joseph tradition of helping others. Among the many accomplishments this past year were the Homecoming Dance, advertisements for the various school organizations, and the scenery for this year's musical, "Carousel". It is true to say that the Art Club, under the guidance of their moderator, Bro. Philip Hoffman S.M., was able to experience a great year.

AUTOMOTIVES CLUB

The Automotives Club, in its first year at St. Joe's, has already shown much promise for the future. The Club consists entirely of Vikings with one main hobby —cars. Under the guidance of Mr. Raymond Golick, the Automotives Club had elected officers, begun collecting dues, and planned numerous projects. One of the major achievements of the Club this year was the construction of a drag race car, nicknamed "Gold Rush."

BOOSTER CLUB



AVIATION CLUB

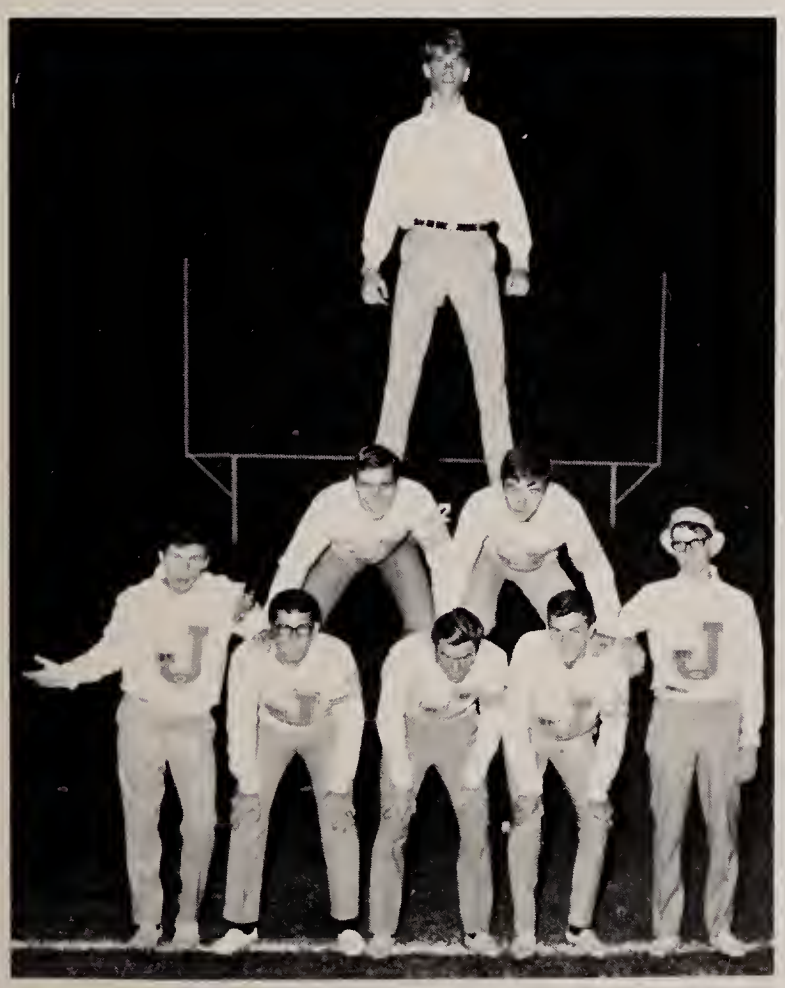
The purpose of the Aviation Club this year was to promote interest in the different fields of aviation. The members attended a ten week private pilot ground school course that covered all necessary materials that are on the F.A.A.'s exams. The members were given the opportunity to fly at Lost Nation Airport and to go on various field trips, such as the one to Cleveland Hopkins Control Center. Although it means many hours of flying and studying on the part of the individual to meet the requirements for a pilot's license, the Aviation Club, through its activities, offered much in support to each member. As a result, several members achieved various pilot ratings during the year.

CARPENTER

CHESS CLUB

In accordance with its purpose, the Chess Club provided its members with the opportunity to develop their skills in Chess. During the year, the members played each other in a series of matches and were rated according to their playing ability. However, the most intense forms of competition were the inter-school tournaments, in which the Chess Club was highly ranked. The Chess Library, created last year, was greatly expanded and these books aided in teaching Chess strategy. In addition, the club bulletin known as "THE HORSEMAN" was an object of pride for those involved, it even rivaled the well known school publication.

CHEERLEADERS



Memoirs of

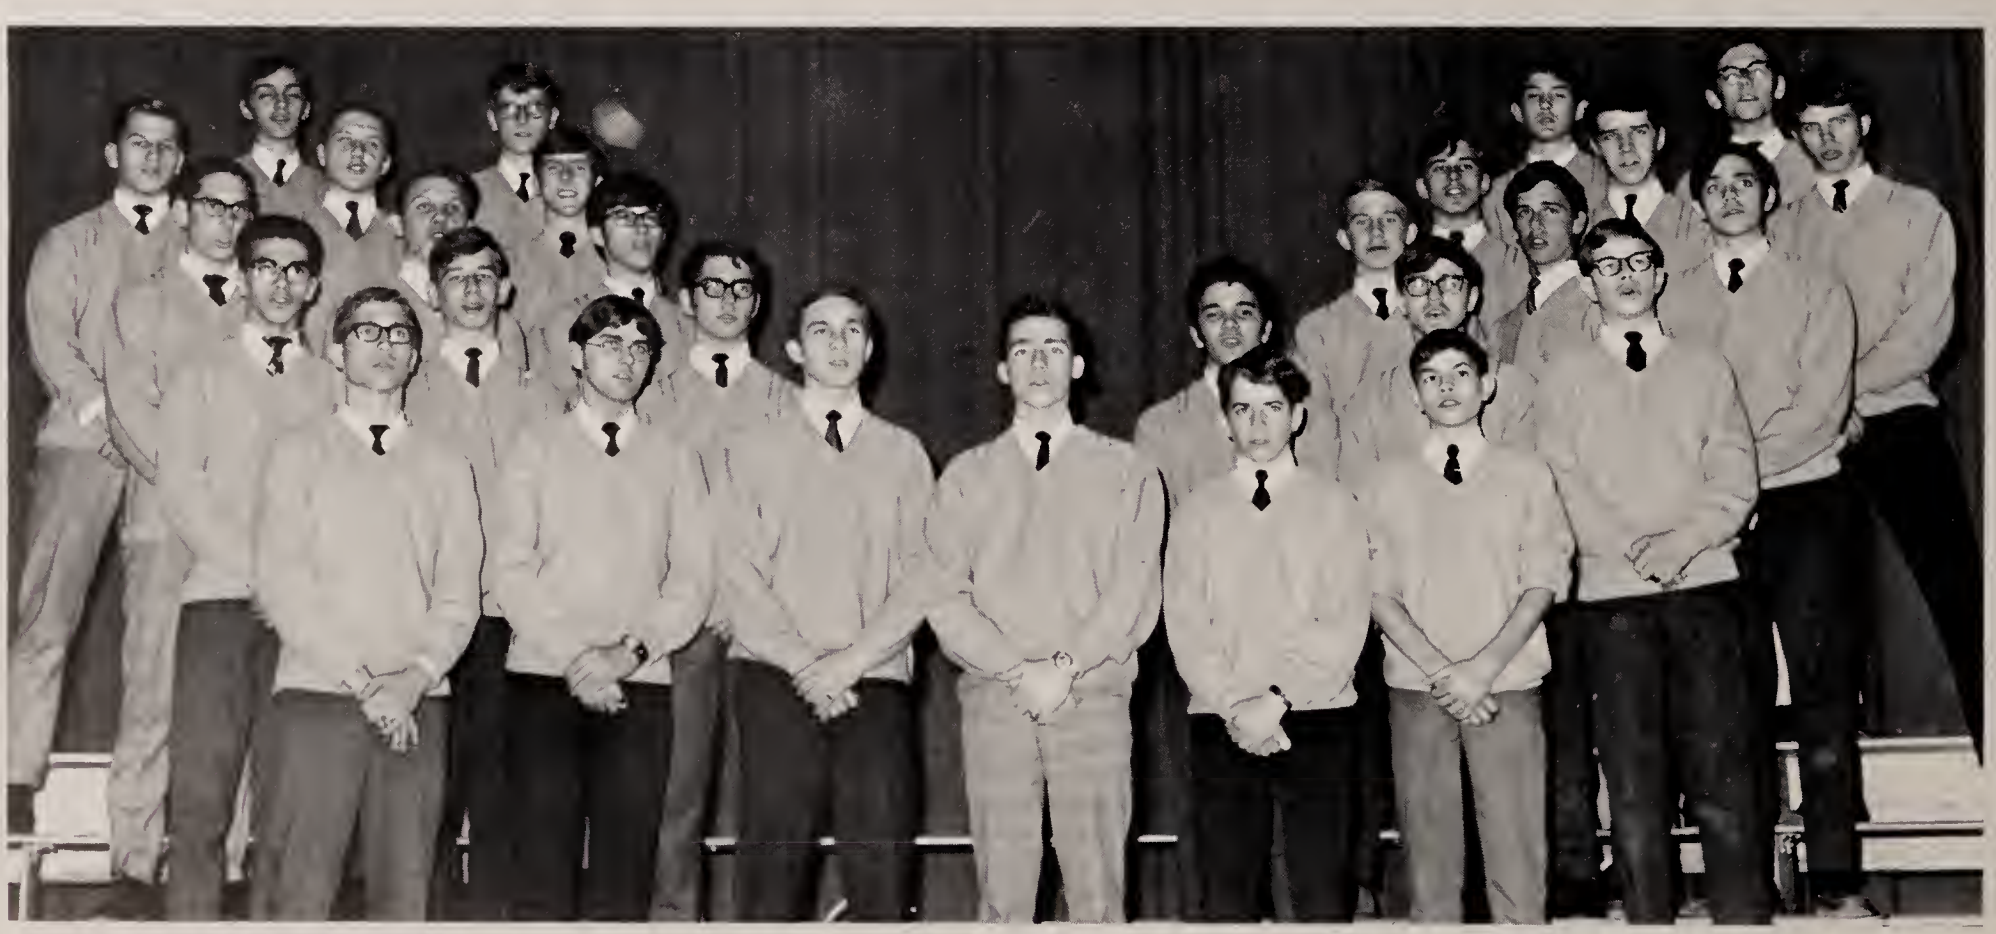
The Cinema Club

DONKEY BASKETBALL

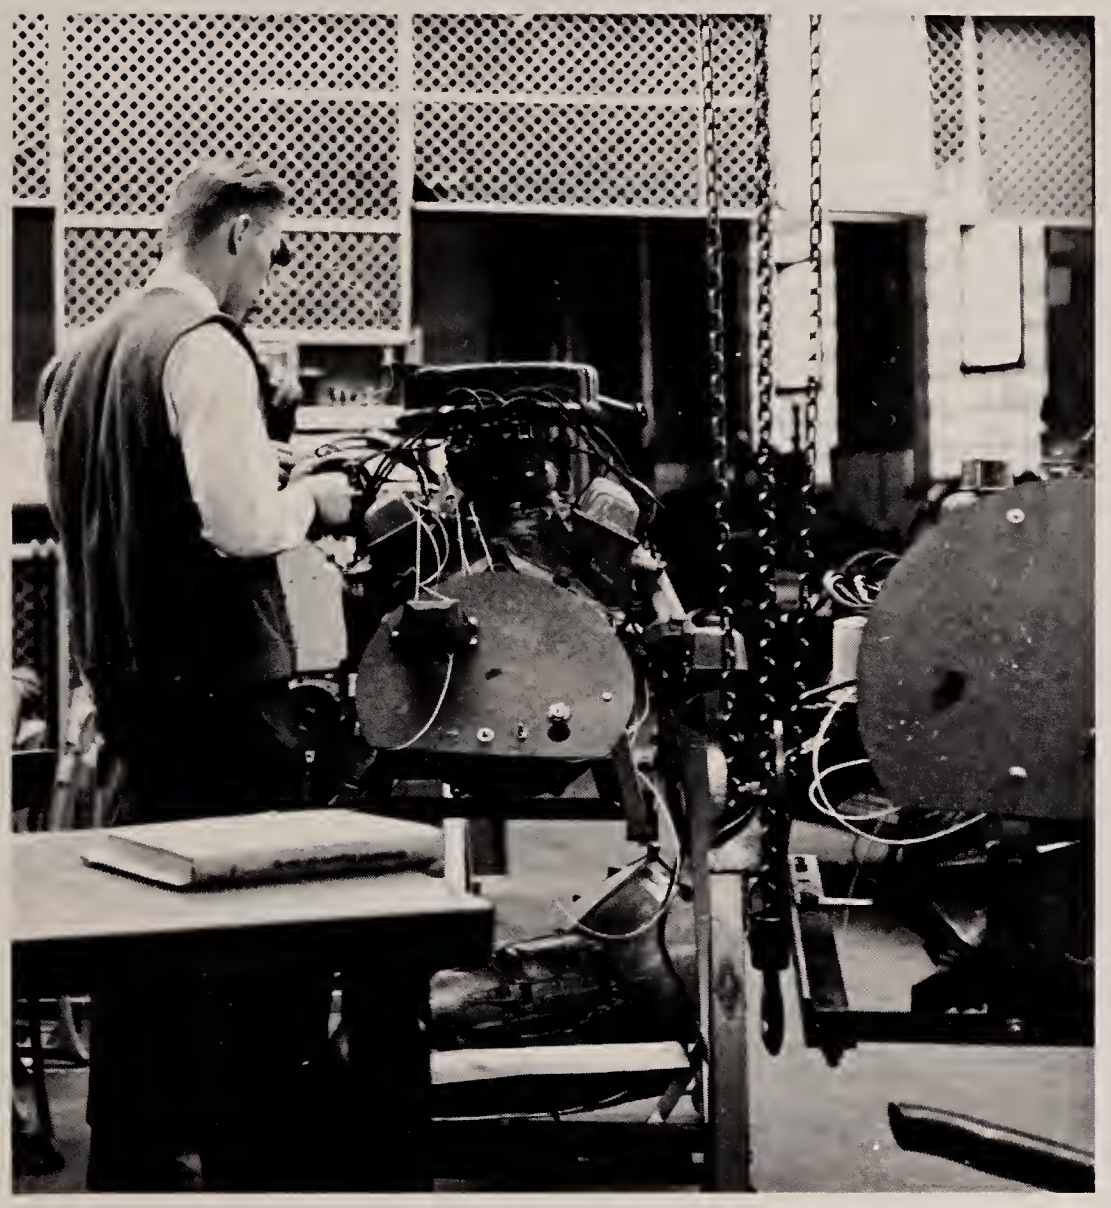
DRAMA CLUB

The Drama Club, now completing its second year, enjoyed numerous accolades for its various productions. Under the guidance of its youthful moderator, John McMahon, the varied aspects of dramatic acting were studied in depth and detail. One of the outstanding achievements of the Drama Club was the production of the **Mouse That Roared.** This difficult play was both excellently acted and staged. The Drama Club also placed numerous members in the musical this year, as a tribute to their efforts in the field of dramatics.

GLEE CLUB



INDUSTRIAL ARTS



The Industrial Arts Club has been involved in numerous projects this year. One of their major interests is the building of a small rowboat for local competition. The club is moderated by Mr. Raymond Golick whose skill and experience has greatly aided the members.

KEY CLUB

PRESIDENT
Ken Trivison

1ST VICE-PRESIDENT
Larry Holloway

2ND VICE-PRESIDENT
Tom Pavsek

SECRETARY
Joe Morgan

FUTURE TEACHERS

The Future Teachers of America are a young group in our school. Moderated by Mr. Ralph Wroblewski, they are learning many new aspects and ideas in the intricate world of teaching. Many of the members are planning to return to St. Joe as teachers in a couple of years.

SPANISH CLUB

LIBRARY CLUB

MEDICAL POST

MATH CLUB

The purpose of the Math Club is to give students an opportunity to explore the field of mathematics beyond normal classroom work. This has been accomplished in basically two ways. The first way was to engage in participation for standardized mathematics tests, both state-wide and nationally, such as the Ohio State Scholarships Tests and the Mathematics Association of America Test. The second method was to offer students the chance to attend summer institutes at various colleges and universities. The majority of these programs were offered by the National Science Foundation and consisted of courses in mathematics, engineering and computer programming.

J.C.O.W.A.

One of the still maturing clubs is the Junior Council on World Affairs. The Council functions as a body with other schools in the area in conjunction with the Cleveland Council. Young people who cry for an opportunity to voice their opinions may find what they are looking for in J.C. O.W.A. In games like "Crisis", or in topic discussions, ideas can be sounded or investigated. Model United Nations sessions enable people to work out their differences in an organized way. Different ideas and cultures are all respected. Groups like J.C. O.W.A. believe that man can exist with himself and cope with his institutions.

MOM'S CLUB

PRESIDENT ..... Mrs. J. Schlarb
VICE PRESIDENT ..... Mrs. P. Makar
RECORDING
SECRETARY ..... Mrs. A. Kubala

NATIONAL HONOR SOCIETY

President . . . . . Ron Compiseno
Vice-President . . . . Tim Whalen
Secretary . . . . . Jim Pajcic
Treasurer . . . . . Ken Trivison

Scholarship, Leadership, Service, Character. These words summarize the characters of the members of the SJH chapter of the NHS. Each has given key service both to his school and his community while maintaining an outstanding scholastic average. All have shown visible leadership and high character in serving the community of St. Joseph High School.

NORSEMAN

The NORSEMAN once again enjoyed a year of artistic and successful reporting. Numerous changes in both the paper and the staff accounted for a somewhat shaky start, but the paper soon recovered. One of the major reasons for the quality of this year's NORSEMAN was the energetic work of Mr. Jerry Intorcio in his role as moderator. He was always available to give advice to the editors when they encountered problems and his answers usually solved them. The NORSEMAN also achieved a record of consistency which had been lacking in previous years, in that they managed to get out one issue per month.

PHILODEMICS

Coming off a fantastic season in which the Philodemics Club gained state-wide recognition, the members set out to duplicate the feat. By participating in numerous Speech and Debating Tournaments, the members learned the numerous tricks and tactics involved in their respective categories. This years club is extremely young in that there are very few seniors on the squad. With the number of returning members, the Philodemics Club should have one of their best years ever next season.

PHOTOGRAPHY CLUB

The Photography Club is a club of many faces; that is involved in art, literature, publicity, and the making of programs for various events. The club as a whole has had much success in most of its ventures. But it too, like most things in this world, is changing. Next year the goals of the club and in the projects it undertakes will be more on the artistic side with more emphasis on personal creativity.

RADIO CLUB

The Amateur Radio Club is a group of about twenty-five men dedicated to having fun through ham radios. Using equipment that is owned and operated by the club we communicate with all parts of the world. This year, the club scored a first by obtaining radio-teletype messages from both A.P.I. and U.P.I. Weather maps were also compiled for the North American area using teletype information sent from the weather bureau in Miami.

The club took a total of three field trips this year. The first was to the Ford Museum in Dearborn, Michigan. A second trip was taken in April to the Dayton-Homevention in Dayton, Ohio. The club also participated in a simulated emergency test held in June. Our moderator was Mr. Louis Pelton who cooperated excellently with the members.

RIFLE CLUB

THINK SAFETY
1. TREAT EVERY GUN AS IF IT WERE LOADED.
2. UNLOAD GUNS WHEN NOT IN USE.
3. OBEY ALL RANGE COMMAN

SCIENCE CLUB

In an effort to keep up with the ever-changing facets of Science, The Science Club embarked on a new format to accommodate the changes. The format for this year consisted of movies, guest speakers, demonstrations and field trips. Some of this year's trips were to Sohio Research, Nela Park and various laboratories.

The club also tried to assist those outside of the organization by its Science tutoring program. Students weak in Biology, Chemistry, and Physics were helped by the members of the Science Club. The success of the club in its many ventures was due to the participation of the members and also to the planning of the officers who were Greg Souchik, Joe Doles, Tony Pallela and Mike Petricig. Our moderator was Mr. Vernon Rudder.

SERVICE CLUB

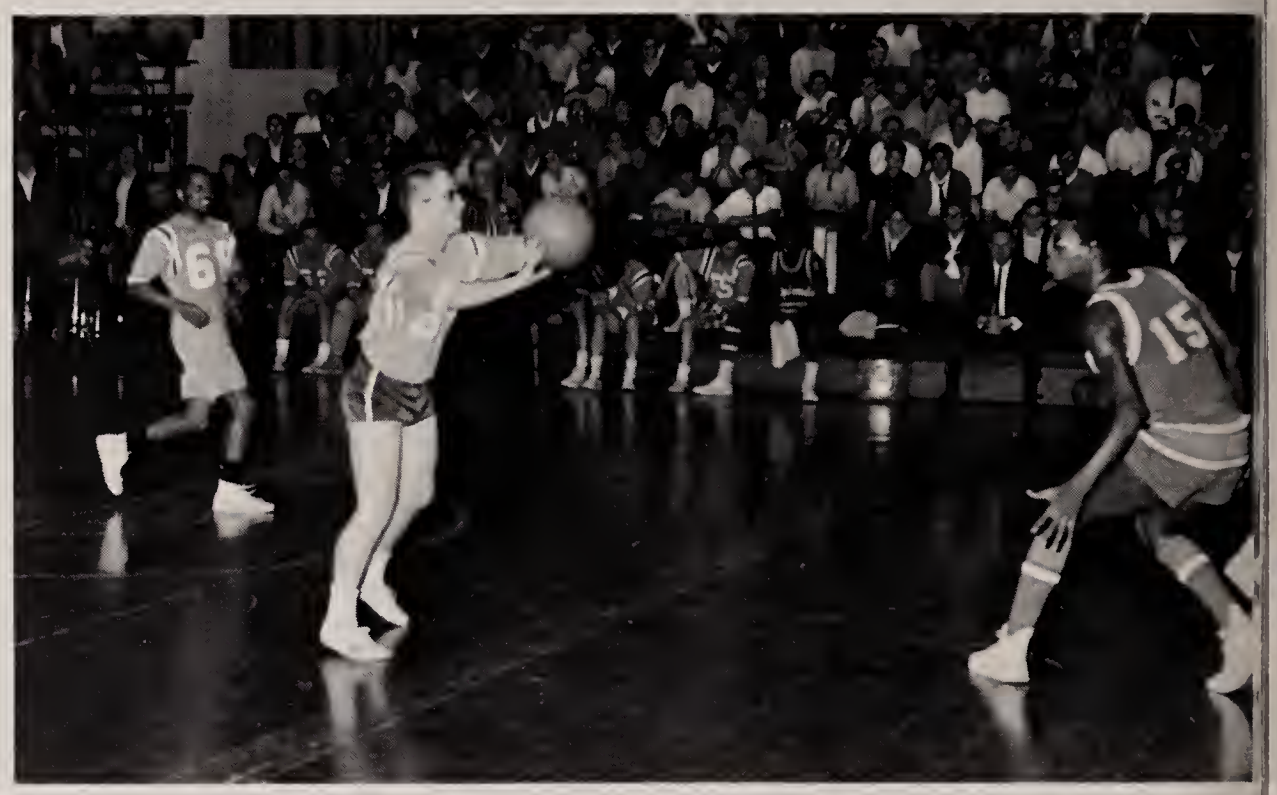
SHALOM

Shalom is one of the newer clubs in the school. Under its moderator, Brother John Velbeck, it enjoyed another profitable year. The name Shalom stands for Stringed Harmony to Animate the Liturgy of Man. Their function is help accompany Liturgical activities with guitars and voices.

The current Shalom membership totals fifteen (10 guitarists and 5 singers). One of the changes for this year's group was the creation of original songs for their singing. For the future, Shalom is going to try to spread to other schools over the city and help the Liturgical movement as best they can.

SKI CLUB

FACULTY BASKETBALL



SPACE SCIENCE CLUB

The Space Sciences Club explores one of the most important fields of the future in that it studies outer space. The club encompasses numerous aspects of space studies, but usually sticks to Astronomy and Rocketry. One of the high points of the club's activities is the launching of various small rockets to test the various theories of jet propulsion. The other major area of interest, astronomy, is accomplished primarily by the use of a large telescope stationed at the school and other telescopes owned by the members for home observations. The club also took part in numerous field trips throughout the year.

STUDENT COUNCIL

This year, the Student Council set the tone for the year by adopting the theme of PRIDE. It was the hope of the officers that every student develop within himself a deep respect and love for St. Joseph High School. We felt that both of these would naturally follow from pride and therefore concentrated our efforts toward its development. Using the St. Joe's Now Assemblies and projects as main vehicles, Student Council set out to show the Viking student body all that they could rightly take pride in.

We dared to be different. We dared to uncover the hidden strengths of St. Joe's which had long been buried. We knew that before we asked for pride we had to give reason for it. Throughout the whole school, controversy and criticism (favorable and unfavorable) was raised: the students were thinking, reacting, making judgments and establishing personal values. These indeed, are the most meaningful characteristics of a high school experience.

The status quo was not abandoned, however. We still experienced spirit, unity, excitement, great dances and activities, and the thrill of victory (again and again). But this year the Vikings added PRIDE and everything else began to make sense. We can now stand and proudly proclaim our love and respect for St. Joe's and know why. The Viking student body has found itself in St. Joseph High and if what Student Council has done was of any help (as we feel it was), then we are thankful.

S.C. COMMITTEE CHAIRMEN

The Student Council Committee Chairmen have one of the more difficult tasks in the school. They must carry out both the orders of the officers and the wishes of the student body. This years Chairmen performed admirably in all things they participated. For proof you need only look at our excellent dances, outstanding school spirit, great rallies and assemblies as well as the fine school posters. These are but a few of the many successes of the Committee Chairmen.

Sports Editor Bob Noll and Editor-in-Chief John Roccosalva checking copy for minor changes before a deadline.

1969 VIKING

Before you is the result of many hours of hard work, much co-operation, a few arguments and a little fun. It is the 1969 **VIKING.** Even with a rather poor patron drive, the yearbook staff was still determined to give the school the best possible. The work began. Pages had to be organized, photographs were to be taken and deadlines had to be met. Many times the staff missed, all three, but with the guidance of our moderator Mr. Yanosko and the staff's spirit the work continued. Months had passed and before we knew it the final deadline was here.

The **VIKING** staff: Bob Lockemer, Lou Barberio, Tom Strauchon, Tom Schmidt, Paul Buk!ad, Mike Worthington, Frank Samolis, Bob Noll, John Casciato, and Joe Znidarsic.

YEARBOOK

With still a lot of work to get done the staff put in many extra hours of hard work. The pages were mailed and the proofs were awaited and corrected. The work was done and a sigh of relief could be heard within the Publications' Office. It was a lot of hard work but the result is an even greater reward. We hope we have accomplished our goal of making this yearbook a fine and fitting tribute to the school we love.

Underclass Editor Tom Schmidt tending to the Underclass layout.

Business Manager John Casciato goes over the figures with Paul Buklad before submitting the final copy for the ad pages.

Activities Editor Joe Znidarsic prepares another Club's copy for his section.

10 - 0 - 0

September marked the beginning of the 1968-69 school year, and with it another football season. For **Head Coach William Gutbrod**, September marked the beginning of his seventeenth year as head coach of the Vikings of St. Joseph. And, in those seventeen years, he had received various honors, among them being named head coach of the North All-Stars in the Ohio High School All-Star game several years back, and this year being voted Cleveland's **"Favorite Coach."** But, despite all these honors, there was still one which had eluded him all these years. He had come close to a perfect season in the past; back in '64-'65 and '66-'67 both teams produced 9-0-1 marks.

The season began early for Coach Gutbrod and team with summer workouts in early July and contact practice beginning in August. By September, the team felt it was ready, and a reserved head coach declined to make any predictions, except to say that "this is one of the better teams I've coached." But, this team was to prove itself to be more than just "one of the better teams," it was to prove itself **"the best."**

It all began on the night of September sixth. The team had worked long and hard and believed it was ready. Anticipation was high for a victory over arch-rival **Euclid**, in this eleventh renewal of the neighborhood rivalry. Despite a surprisingly tactful offense, St. Joe's came out on top, **22-6**. The Ray Evanchik-TD-runs, and a Stephens-to-Shinsky aerial accounted for the scoring.

The next opponent was **Erie Cathedral Prep**, a team highly regarded due to its all-state quarterback. However, the defense kept Erie well under control, something Erie's defensive unit found quite hard to do. Tailback Ray Evanchick broke the school rushing for one game by gaining 325 yards, scoring touchdowns of 1, 13, 59, and 32 yards, and leading St. Joe's to a **38-12** victory over Erie.

Our first away game of the year was against **Akron Hoban**. In a show of a well-balanced offense, the Vikings continued their winning ways with a **40-7** romp over the Knights. Jim Stephens hit senior Co-Captain Tim Whalen with TD passes of 14 and 23 yards, while Dan

OFFENSE

EXPLODES

10 - 0 - 0

Geraghty and Ray Evanchick provided the running punch with a touchdown apiece.

The following week **Columbus Desalles** stopped in for a visit, but didn't stay long. St. Joe's showed its muscle with **50** big points, compared to **12** for Desalles. Once again the offense showed its balance and diversity. Senior quarterback Jim Stephens hit John Shinsky and Chris Mullan for TD passes of 20 yards each, and Ray Evanchik added TD's of 51, 48, and 25 yards. Coach Gutbrod emptied the bench, and before it was over, junior Bill Centa and senior Mark Castro had each added 6 points to the deluge.

Our next game brought with it **Collinwood** and **Homecoming**. In one of the biggest surprises all year, a sky-high Collinwood team jumped out to a 7-0 lead at halftime. A shocked student body reacted by putting on one of the greatest shows of spirit, and the team responded. Quarterback Jim Stephens hit Tim Whalen for a 31-yard TD pass, and Evanchick and Geraghty scored on runs of 5 and 18 yards respectively, for a final score of **20-13**, a tribute to our Queen, our team, and our student body.

"Remember!" was the cry heard resounding from the halls of St. Joe's the following week. A year earlier, a sky-high **Chanel** had brought us crashing down to earth by pulling what many considered to be the upset of the year, 18-6. But, this year we remembered, and shot down the Firebirds of Chanel, **14-8.** Jim Stephens hit senior end John Shinsky for a 35-yard scoring pass, and Ray Evanchick scored on a 2-yard run. We paid dearly for the victory, as the services of John Shinsky were lost for the year. To lose the services of such a team man, one who constantly gave of himself and whose very presence was such an incentive to both team and student body, was a most serious blow.

The **Padua** game was the following week. In what proved to be the largest output by the offense, the Vikings romped over the Bruins, **56-7.** Not only did the offense provide the punch, but the defense as well. Besides holding Padua to only 7 points, interceptions by Mark Troha and Bill Holzheimer added to the deluge. Offensively, Ray Evanchick scored on runs of 8 and 59 yards.

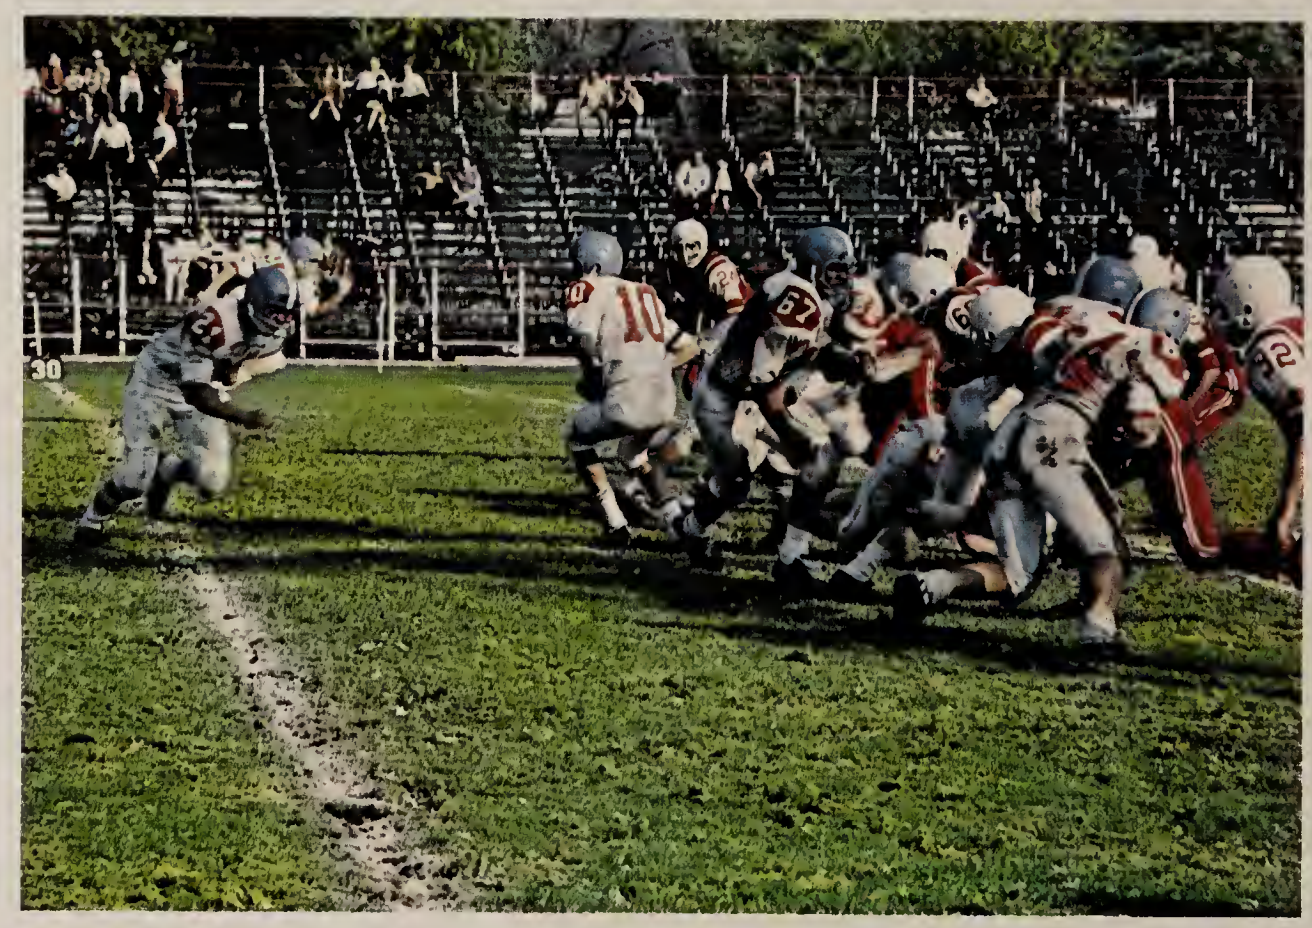
The game with sister-school **Cathedral Latin** proved to be the most exciting of the year. Latin had a very diversified offense, probably the best we faced all season. To make matters worse, superstar Ray Evanchick had pulled his Achilles' tendon during practice, and had to sit out much of the action. Touchdowns by senior fullback Dan Geraghty, J. O. Stephens-to-Timmy Whalen passes of 43 and 24 yards, and a 50-yard punt return by Tim Whalen were matched point for point. But, our tenacious defense on PAT attempts by Latin proved to be the major difference, as the Vikings caged the Lions, **28-26.** Here we were, 8-0-0. Previous Viking teams had gotten this far, but either lost or tied one of the remaining games. We were determined that this was not to be the case this year.

The following week **Youngstown Ursuline** came rambling into Euclid Stadium. As Ursuline was No. 1 in their city, the Vikings prepared for a real battle. But, despite a tremendous defensive line, the Vikings held on to win their ninth, **8-0.** A 35-yard Jim Stephens-to-Chris Mullan TD pass proved to be the winning margin.

Now being 9-0-0, it all boiled down to the last game. Mark Tichar and Mike LoPresti had been added to the injured list. There before us loomed the Eagle, favored by all to beat the Viking. Five minutes before the opening kick-off, it started to rain. "I could see a repeat of the 0-0 tie with Cathedral Latin in 1963," reminisced a pensive Coach Gutbrod. St. Joe's struck quickly in the second quarter. An interference call against **St. Edward's** on their own 1-yard line allowed Ray Evanchick to make his first TD of the night. A later Stephens-to-McFarlane pass to the Eagle one set the stage for "sweet Ray's" second TD of the night. Throughout the third and fourth quarters neither team could muster an attack, until with nine seconds left, St. Ed's scored, and the Vikings had a **14-6** victory, and the Crown Conference Championship. But, more importantly, to the team, student body, and Mr. Gutbrod, the game meant **A Dream Finally Realized —**

A PERFECT SEASON.

Chinchar and Shinsky apply pressure to the Chanel quarterback.



Fullback Dan Geraghty receives the hand-off from Jim Stephens.

Senior quarterback Stephens turns right end on a keeper.

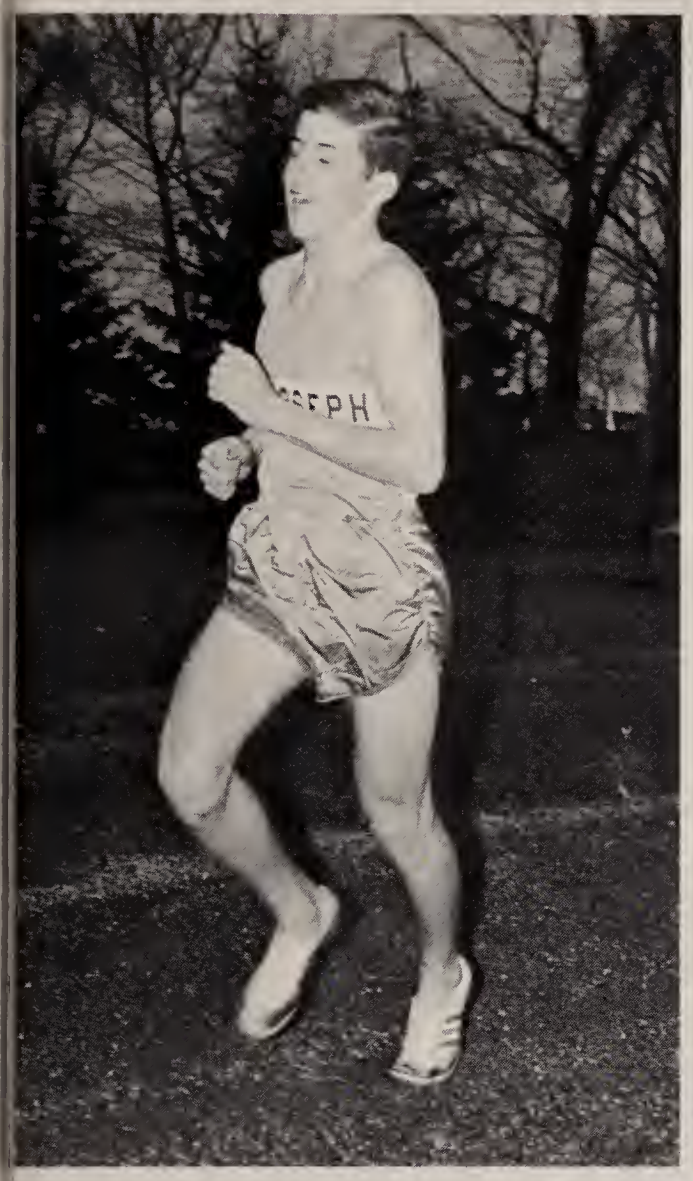
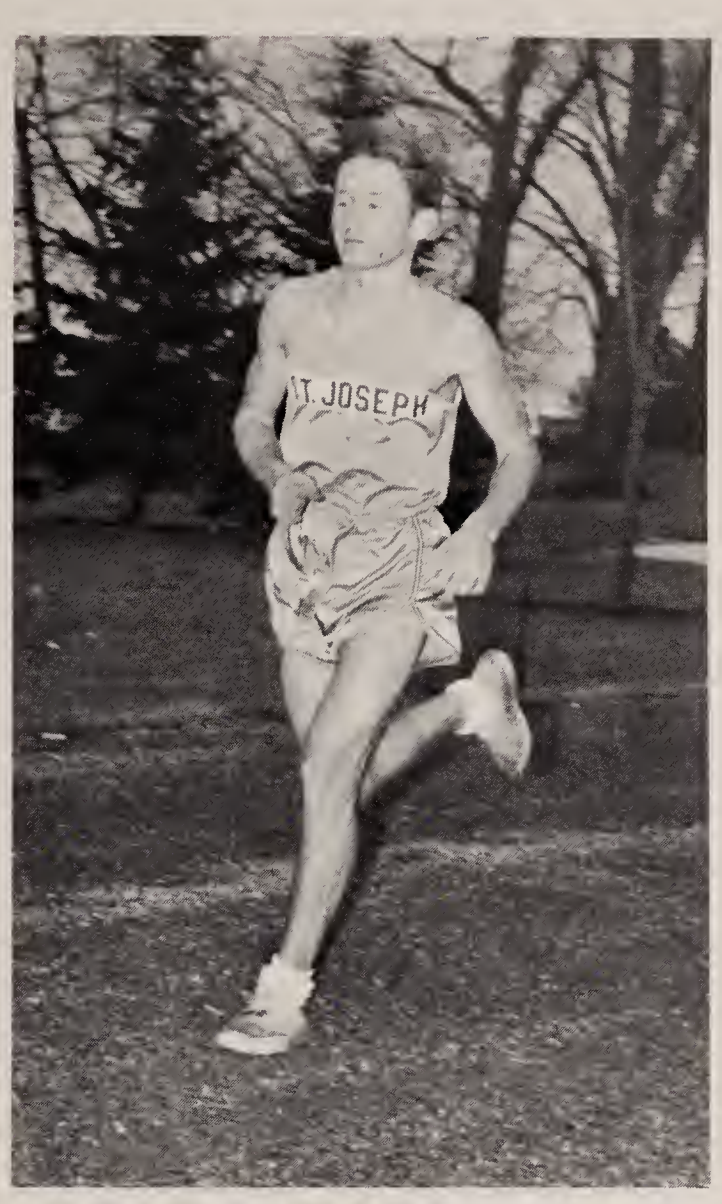
Jim "The Machine" Stanley finishes 18th in State.



Mike Malovasic — vision into the future.



Dave Kaminskas — talent personified.

Ray Kirchner and Pat Ryan go up the hill to victory.

In the middle of an August heat the St. Joseph High Cross Country team ventured out into the blazing sun. Their goal: State Champs. Determined in his first year of coaching, John Gasperak inspired these loyal Vikings to uphold the winning tradition of St. Joseph High School. Guided by the leadership of Pat Ryan, Tom Smith and Ray Kirchner, the harriers entered their first meet, the **St. Joseph Invitational**. The Viking runners were surprised by a powerful Pennsylvania team, Pittsburgh Canevin, and obtained a disappointing second place finish.

Traveling to Erie for the **Gannon Invitational**, the harriers were again dethroned as they placed fourth to three Pennsylvania teams. The power of the St. Joseph Vikings was displayed when they placed first in the **Ninth Annual Gilmour Invitational** while lacking the services of their top three runners, Tom Smith, John Schmidt and Jim Stanley.

On October 12, 1968 the Vikings were invited to Cincinnati for the **Fifth Annual Elder Relays**. An unfamiliar course hampered victory as the Vikings were upset and placed second to a strong Ohio team. These setbacks seemed to breed a certain instinctive enthusiasm and desire which is so characteristic of a Viking runner. The harriers were determined to fulfill their motto: Regain Our State Championship Or Bust (R.O.S.C.O.B.).

The St. Joseph High Cross Country team overcame all obstacles as they placed first in the **DISTRICT ELIMINATION**. This was the turning point of the season. The confidence incompassed the entire team as they entered the **Regional Elimination**. The title was captured easily as the Vikings totaled a sum of sixty points. The entire season's struggles, efforts, and hardships were to be compelled in a single meet the next week in Columbus.

The Vikings were prepared mentally, physically, and aware of the trial and challenge set before them. Raw endurance was the key note in the 1968 climax for cross country crown. The harriers responded accordingly. John Schmidt with a tremendous effort captured twelfth place. Jim Stanley with a last minute surge finished eighteenth. Close behind was Tom Smith who took Twenty-first. ALSO finishing with the pack were Pat Ryan and Ken Udovic ending their season with twenty-six and thirty second at State respectively. Ray Kirchner and Dave Boyle were not to be denied their places in the State ranks placing thirty-fifth and one hundred sixteenth. The St. Joseph Cross Country Team proved to all those this year truly was, "The Year of the Viking".

CROWN CONFERENCE CHAMPIONS

There are many reasons which combined to result in the most successful season that any Viking wrestling team had ever had. The successes included the **Crown Conference Championship,** a Third Place in the **Catholic Invitational Tournament,** and a Third Place in the **Willoughby South Sectional Tournament.**

Among these reasons were:

Coach John Storey: Through his dedication and determination to win, he instilled in the wrestlers the same dedication and determination.

Coach Joe Geiger: Made his Jayvees into a hardworking team. This in turn made the Varsity better because of fierce competition.

Skip Gibson(103): Once he got the confidence he needed, he became the sparkplug for the team and got us the important first match win.

Dan Joyce(112): A sophomore who set the example for the rest. He never gave up and never stopped pulling for the other guy.

Kevin Petreca(120): The third sophomore in the line-up. meet. The team won that dual meet, and every one after that.

Tom Mulhall(127): He had a fine season—with the help of the guys listed above and below.

Jim Pajcic(133): Finished the season with a 9-2 record. If you had to wrestle him in practice, you'd wonder how he lost the two he did. A real backbone of the team, being the co-leader in pins.

Chet Koeth(138): When Chet "rolled" out onto the mat, he meant business. He surprised everybody but his teammates and his coach when he finished second in the Sectional.

Mark Hummer(145): When Bob Gillespie broke his hand, it seemed that the 145 would be a weight problem for us. The "stick-man" proved us wrong, however, by posting an 8-2-1 record in the dual season and by being named to the **All-Crown-Conference Team.**

Bill Montana(154): Another reason for the late season surge. "Monkey" won five straight at the end of the year, three of them on pins; earned three plaques for **Wrestler of the Week** in the last five weeks.

Gary Green(165): Gave us the push we needed in the later matches. Besides being an outstanding **All-Crown-Conference** wrestler and finishing second in the Sectional and fourth in the District, he posted an 8-3 record. "West Virginia" made practice a little bit easier by his weird idea.

Bob Calevich(175): The fourth sophomore. Bob, because of his great strength and attitude, improved steadily throughout the season until he earned the Varsity starting position.

Jim Moore(heavyweight): We really put the pressure on Jim at times, but every time he came through. As members of the team, we felt better all the time knowing that Jimmy was behind us. It was dedication and love for St. Joe's that made Jimmy successful. He captured second place in the **CIT,** second in the Sectional, and was a member of the **All-Crown-Conference Team.**

* Tim Delaney set a three-year varsity scoring record, breaking the previous record set in 1951 by Dennis Templin.

Coming off a highly successful season last year, coach Bob Straub and team had high hopes for this year. To hope for a season as successful as last year's was to hope for a lot. But this team was to prove itself one of the most successful ever to come out of St. Joes.

The opening game against **Glenville** was expected to be a tough game. Team and student body were warned not to settle into complacency. The game was close throughout the first three quarters. Neither team was able to build up any real lead. The game was a nail biter down to the final buzzer, but the Tarblooders showed one more point than the Vikings, as we dropped the opener **70-71.** The Viking cagers hit for a cool 29% while Glenville hit with 40% accuracy. Determined not to experience a let-down, the Viking roundballers smashed the Blue Devils of **Wickliffe, 79-57.**

Our first Crown Conference game was against **St. Edwards.** Out for revenge from the football season, the Eagles invaded the Viking gym. Once again, however, St. Ed's went home sadly, as the Vikings pulled a close one out of the hat, **56-55. Erie Tech** was our next opponent. The Vikings blazed the nets with 61% accuracy compared to 48% for Tech, however, and the roundballers continued their winning way with a **81-70** victory.

Our second Crown Conference game was against the Firebirds of **Chanel.** The Vikings quickly extinguished their fire however, with a **75-48** whitewashing.

The first away game of the year was against **Cathedral Latin.** The lions were quite surprising, and throughout the first three quarters, the lead changed hands several times. But, in a late fourth quarter surge, the Vikings defeated Latin, **61-44.** The Vikings returned home the next week, and crushed it's next three opponents, **Gilmour, 73-56, Collinwood, 72-49,** and **Cathedral Latin, 82-63,** in a return match.

We next journeyed to Erie to face **Erie Prep.** The Vikings scored **74** big points compared to only **58** for

Tim Delaney out-reaches his Chanel opponent for a jump-ball.

Mike Flynt's driving lay-up adds two more points to the deluge in the Padua game.

Gerry Stadler goes high in the air to deflect a jumper.

Mike Moran shows off his ball-handling skill as he bounce-passes the ball through the legs of a surprised defender.

Bob "the nailer" Stragisher at the foul line.

Erie. The team hit for 50% accuracy while converting 20 of 30 foul shot attempts for 67%.

The Bruins of **Padua** next faced the Viking five. The Bruins however, fell victims to the Vikings, by a **64-54** verdict.

The following night the Vikings made a short hop over to **Collinwood** worthwhile, coming home **61-47** victors.

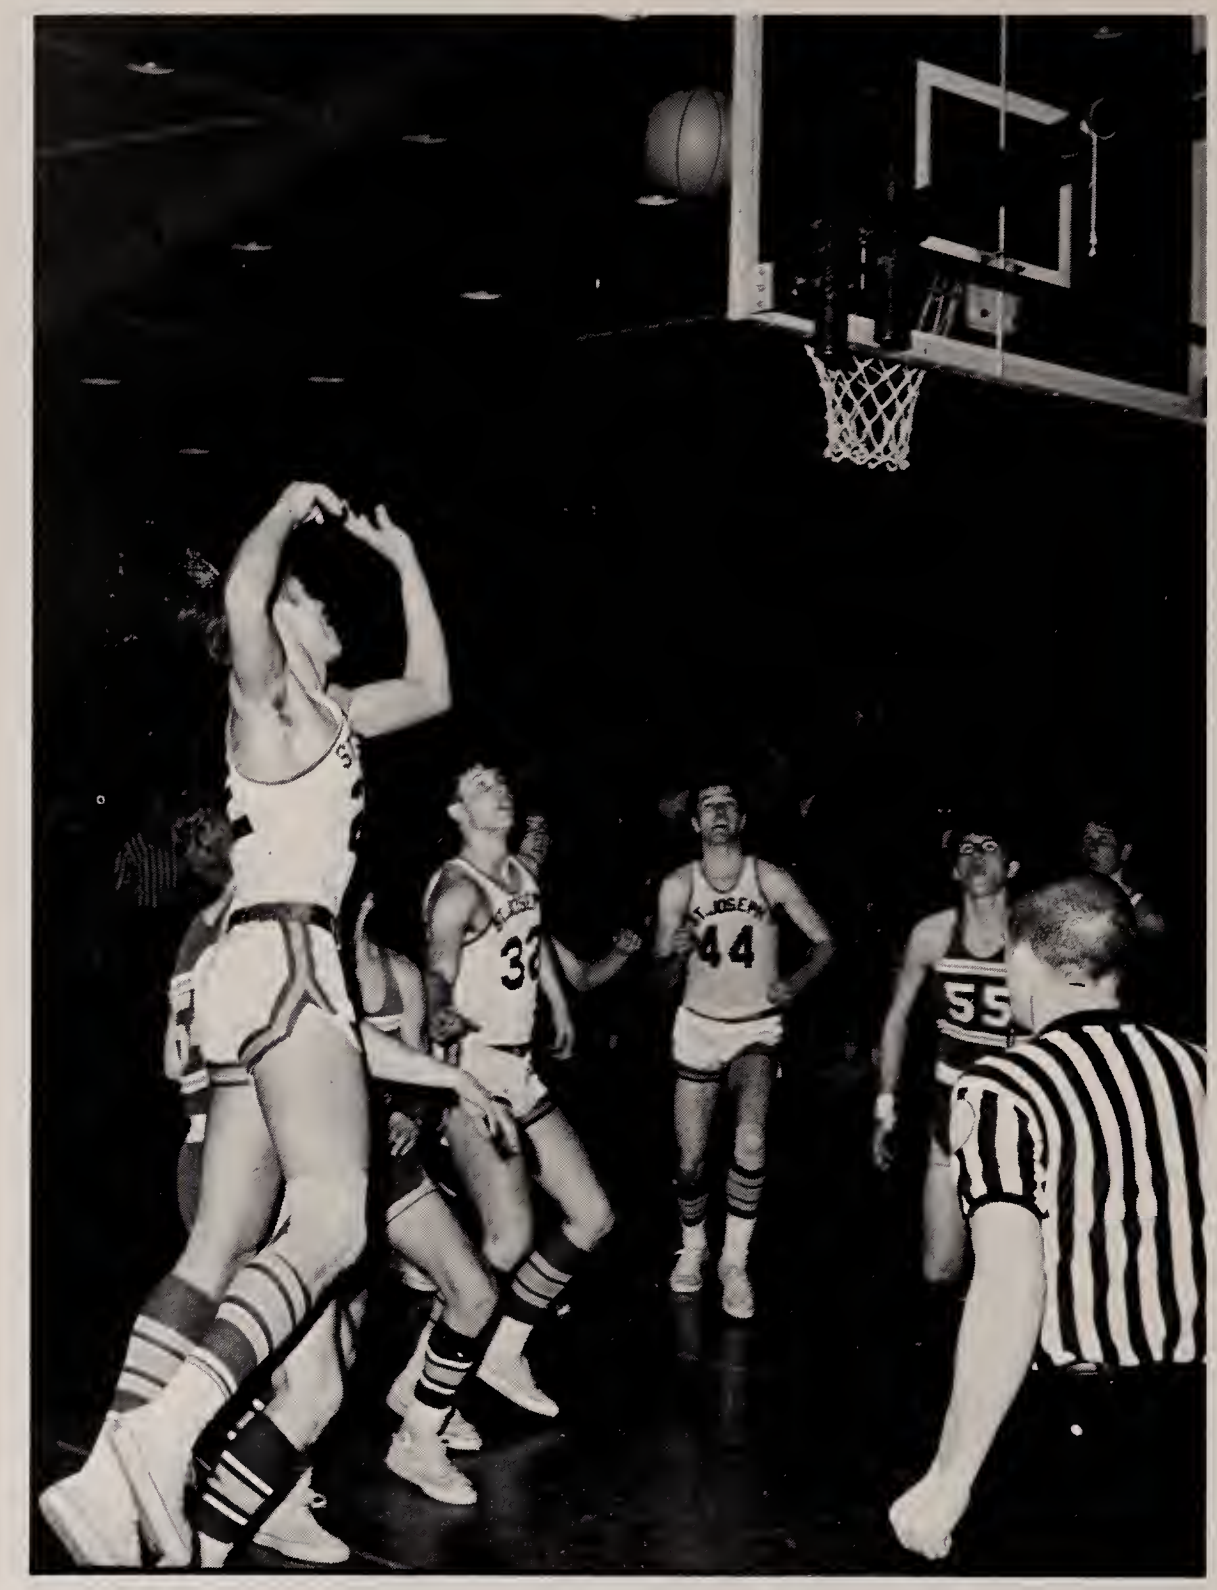
Defending Class "A" champs, **Mansfield St. Peter** rambled into the Purple Palace the next week, with the Vikings riding on an eleven game winning streak. This streak was to be broken however, as St. Pete's outdid St. Joe, **78-69.** Both teams scored 31 field goals, but Viking fouls proved costly as St. Petes converted 16 of 22 compared to 7 of 9 for St. Joe. They also outrebounded us, 33-23.

The Vikings again recovered, as the courtmen flattened **Erie East 87-44,** and **Padua, 69-56. Erie Strong Vincent** also fell victims to the Viking five, **70-55.**

The **Chanel** game was the final game of the season, the team finished the regular season with a great **16-2** record, with a **67-43** shallacking of the Firebirds. In winning this game, the Vikings remained undefeated in Crown Conference play for the 2 years of its existence.

After completing a successful regular season, the team and student body enthusiastically went head first into the Tournaments. The possibility of a game with Euclid, and a game or two down in Columbus psyched the team and student body as tournament fever gripped St. Joe.

Our first game with **Wickliffe** proved successful for the Viking courtmen, as they piled up **67** points compared to **38** for the Blue Devils. The next game was against **Kenston.** At the end of three quarters of play, the score was tied 45-45. But, the team responded to the student body in the fourth quarter, and outscored Kenston 22-2, for a final score of 67-47. In the Sectional Championship game against **Eastlake North,** the team showed its true colors. With Delaney and Lyons combining for 45 points, and Moran and Straigisher



Moran's soft touch sends the ball towards the rim, as Holmes and Lyons converge on the basket.

Jim Pisnar's jumper adds two more to the deluge against Conneaut.

Tim Delaney — Eastlake North Sectional and District MVP, All-Crown Conference Team, All-Canton Regional Team, AP Third Team All-State, UPI All-State Honorable Mention, etc.

Jim Hill and Tim Delaney do battle with a Padua Bruin, over a rebound, as Pat Lyons looks on.

combining for a total of 14 assists, the team ended the Rangers' tourney trail. Shouts of "We want Euclid" echoed off the Eastlake North gymnasium walls.

We first had to get past **Conneaut.** The team again refused to take it easy all season and blasted Conneaut **72-44,** granting them the **Big One.**

We had waited all year for this game. Last year Euclid ended our tournament hopes by a 64-62 decision. But, this year was going to be different. At the beginning of the game, Euclid jumped out to a 9-0 lead before the Viking five registered their first point. Midway through the second quarter we tied at 21-21, but lost the tie to seven straight points by Euclid. Down by 17 points with 14 minutes to go, many of the fans began to leave, but the Vikings held their ground. Euclid went into a stall, but the trio of Mike Moran, Bill Centa and Mike Flynt broke this. Two minutes and thirty seconds later, the Vikings had tied it all up. Lyons, Delaney and Moran had scored 19 straight points. The final score: **St. Joe 64, Euclid 61.**

The Vikings had made it to the Regionals. The team and student body, led by senior **Bus #4,** then journeyed down to Canton for the game against **Youngstown Ursuline.** In a game with 45 fouls, St. Joe continued its winning way, **74-47.** The Vikings then earned a berth in the Regional Championship game with **Canton McKinley,** the #2 team in the state. Featuring a 6-7 all state center, the Bulldogs proved just too much for the Vikings. The team did not play its usual game, hitting only 29% of their shots compared with 54% for McKinley and St. Joes bowed out proudly, 99-54.

The team and student body acted like true champs. They were grateful for getting this far, and proud of their **22-3** record, the best in the area. They were also proud of and grateful for a man such as Mr. Straub. We had left our mark and made a name for ourselves throughout the state, and let them know we were proud to say: **"WE ARE ST. JOES!".**

BOWLING

Front: Pete Gerdin, Joe Hoegler, Frank Brentar; **Back Row:** Bob Szabo, Captain Dennis Adomaitis, Tim Tigue, Doug Mervar.

Bob Szabo bowling for a strike.

1968-1969 Viking Bowling Team

JOHN MALOVASIC

TRACK

Mile Relay — "The Fantastic Foursome" **(Standing):** Jim Dobay, Jim Emser. **(Kneeling):** Vince Continenza, Carl DeRosa.

This year's Viking track team has shown the promise and potential which go with a championship outfit. Co-captained by seniors Marty Jarosz and Chris Mullan, the team has literally run over all opposition thus far encountered. Just by looking at some of the talent present in some of the returning lettermen on this year's track team, it was evident that it would uphold the Viking tradition of powerful St. Joe's track teams of the past. Under new coaches Mr. John Gasparek and Mr. Hugh Howard, it appears that the backbone of the team again are the distance runners, of the state champion cross country team. Combining the speed of seniors Chris Mullan, Marty Jarosz, Jim Dobay, and Jim Emzer, juniors Vince Contenenza and Ward Hill, along with the endurance of the distance runners, seniors Tom Smith, Pat Ryan and Ray Kirchner, juniors Ken, crazy legs, Udovic, John Schmidt and Jim, the machine, Stanley with the strength of shot putter John Shinsky and Charley Moore, the Vikings have what it takes to be state champion. However, to attain this goal a team must have perseverance, talent and a will to win, which all come naturally with the Viking thinclads.

Top row: Jim Stanley, Dan Howard, Tom Smith, Pat Ryan, Dave Boyle. **Bottom row:** Ken Udovic, John Schmidt, Dave Kaminskas.

880 Relay team: Ward Hill, Chris Mullen; **Bottom row:** Jim Pajcic, Marty Jarosz; **Top row center:** Greg Lieb, hurdler.

Shinsky shoots for state.

VARSITY BASEBALL

THE BEGINNING . . .

The 1968 Spring Varsity Baseball program was another first in the history of St. Joseph High School. The Viking ball players embarked on a 26 game schedule which started last April 7. After two full months of practice and games, it was evident that the Vikings were winners again in another Varsity sport—**BASEBALL.**

The 1968 season record totaled 20 wins against only 6 defeats. Under the direction of Head Coach Terry Thomas, the Vikings displayed a fine brand of baseball. Competing in the newly formed Crown Conference, the Vikings were Co-Champs with the team from Padua. Highlighted games were victories over J. F. Kennedy, St. Edward, Padua, East Tech, St. Ignatius, Latin and West High.

There were many contributing factors to successful baseball in 1968. John Polgar, Senior All-Scholastic mound ace, was the big factor in Viking success. John won 9 games and sported a 0.77 E.R.A.

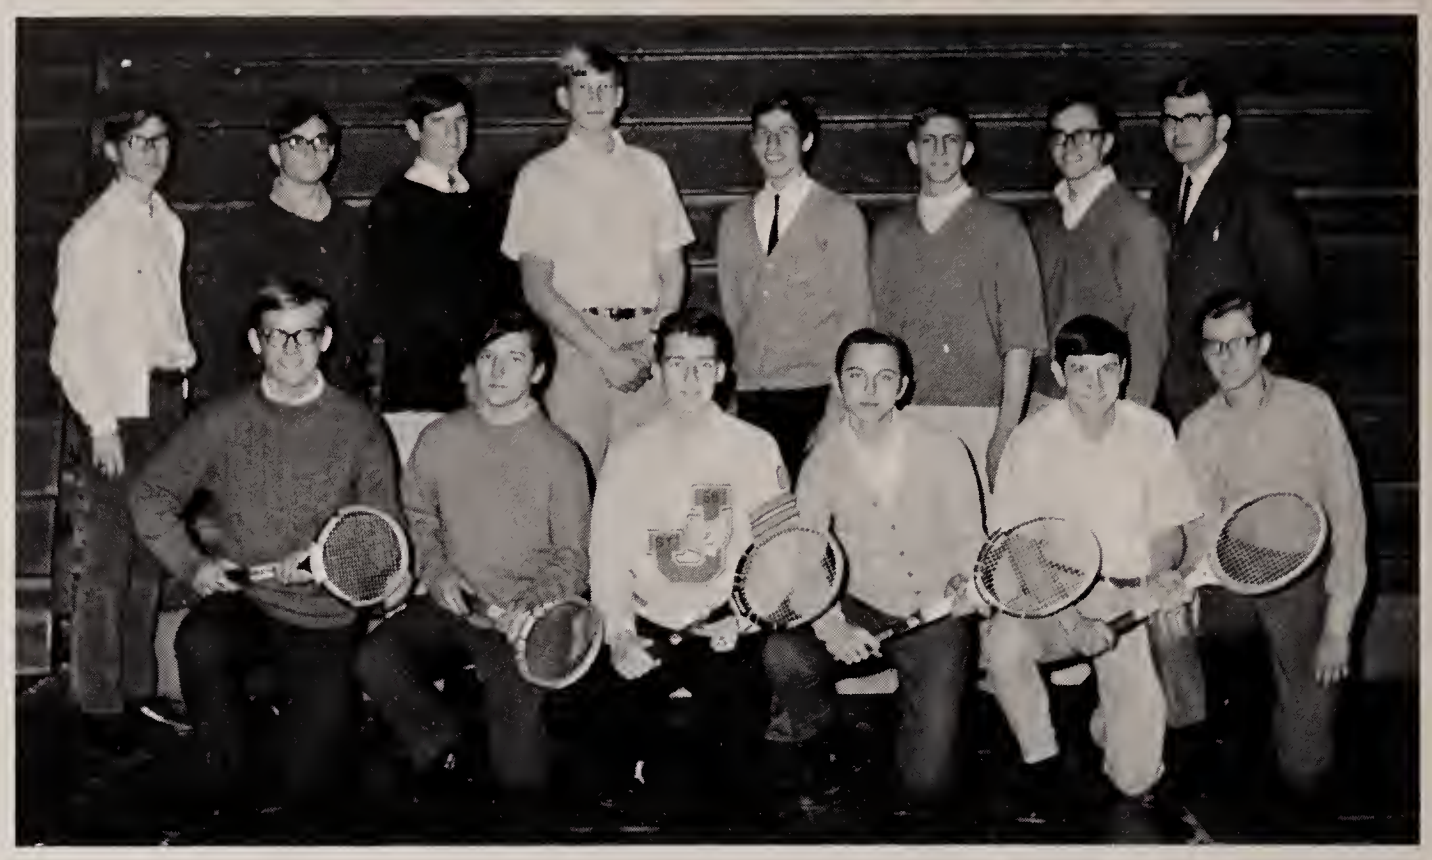
Seniors Al Sosic, Rich Pivorunius, Bob Balish, Walt Kado, and Jim Lieb contributed much to this success. Other members of the squad were Juniors Tom Liebhardt, Ed Fakeris, Dan Geraghty, Tim Whalen, Al Zdesar, Tim Tigue, Bill Holzhiemer, Bob Neubert, Frank Lopuszynski, and Bob Verderber. Sophomore 'rookies' included Jay Zimmer and Fred Ribelli. Al Sosic and Tim Whalen led the team in R.B.I. with 14 each. Speedy Bob Balish stole 18 bases and Tim Tigue 12. Rich Pivorunius led the team in batting with a .412 average. Juniors Dan Geraghty (.325) and Tom Liebhardt (.311) had fine spring seasons. Bob Neubert did an outstanding defensive job in the catching department. Al Sosic made the PD Dream Team honors along with John Polgar.

Yes, it was a very good year. The baseball program began. By this, participation becomes a reality. Participation in an athletic experience. The values a student can gain from this are so vitally important in student life.

Bob Verderber legging a hit.

Walt Kado coming for home!

TENNIS



Standing: Pete Fries, Pat Davis, Bob Pestak, Jim Horner, Pete Valencic, Todd Smayda, Frank Zalatel, Mr. John Tigue, Coach. **Kneeling:** Jerry Lutkus, Neil McCormack, Joe Morgan, Joe Calabrese, Chuck Habjan, Ray Todd. **Missing:** Nick Perna.

With only four lettermen returning this year, veteran coach John Tigue will have his hands full deciding the top seven positions. The nucleus of the team centers around returning seniors Joe Morgan, Chuck Habjan, and Todd Smayda, along with junior Pete Fries. Several other members will fill in the positions left vacant by last year's six graduates. Playing in the Crown Conference for the first time this year should provide an extra incentive.

GOLF

This year's golf team, under the tutelage of second-year coach Frank Pasarella, shows much promise. The team includes seniors Jim Ghude and Joe Dougherty, along with juniors Jim Booms and Bob Clarke, and up-and-coming super-soph Rick Campbell. While featuring experience in its senior members, it has youth on its side with two juniors and a sophomore, who are quite consistent in their play. Coach and team look forward to a possible trip to Columbus later this year, and a Crown Conference Championship.

Rick Campbell, Jim Booms, Mr. Frank Pasarella, Coach, Bob Clarke, Jim Ghude. **Missing:** Joe Dougherty, Jim Farrell.

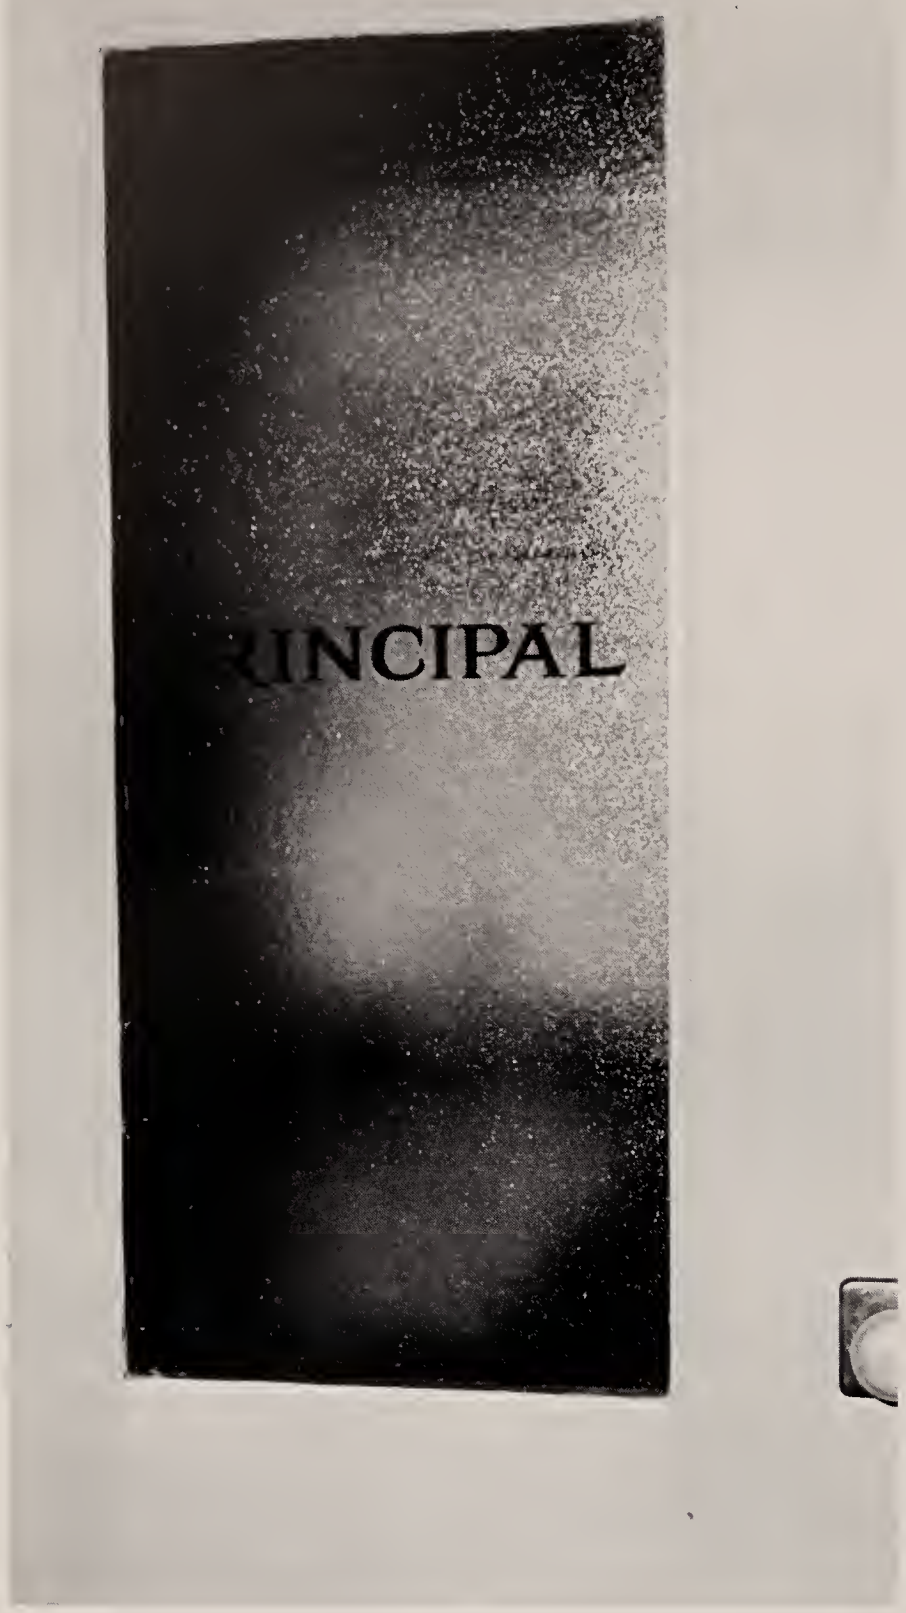
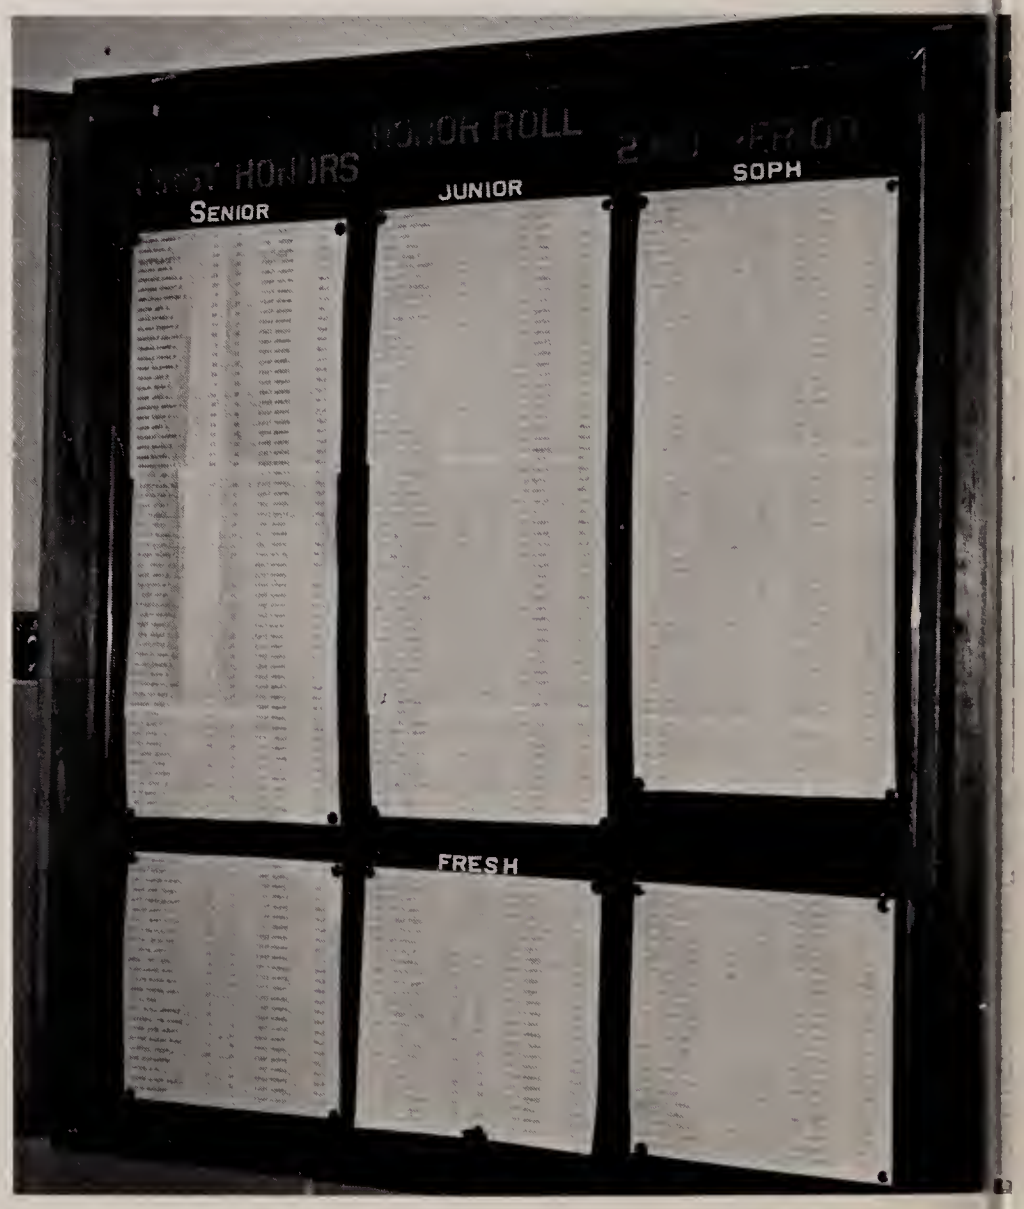
FINALE

It was not created.
It is discovered.
Discovered individually, on a personal basis.
It erupts into our conscious attention propelled by its strange attractiveness.
It haunts you.
You return to it again and again, seeking to penetrate the mystery of its convulsive beauty.

It is a crystal which reflects the contours of the world.
A world of the near future, the goal of our desires.
A world that exists in the possibilities of the present.
This power is a driving, dynamic force.
It attacks the limitations of many, but reveals to us the fullness of human potentialities.
It is charged with the powerful magnetism of our desires and draws us toward the future.
It is light in the room where the mind is imprisoned.
It was not built by fist and machine, but by the power and realization of a dream.





It aspires to be a school that makes living history.
For without the sense of history nothing has any meaning.
It's destiny is action.
It strives for the originality attained with unexpected combinations of events.
Its value depends on the way the events affect the frontiers beyond its own boundaries.

It is eager to invent duties beyond those imposed by the curriculum.
It motivates us to create new tastes for ourselves.
It only offers to the world a way of doing things.

The wisdom that is thought and taught in the classrooms of today may be the foolishness of tomorrow.
But that is not important.
It is meaningful only when it lives in the one way it has a right to live; by way of the mind.
It is St. Joseph High School.
